Electronic Spreadsheets For Libraries:

Electronic Spreadsheets for Libraries Lawrence W. S. Auld, 1986 Spreadsheets for Librarians Bruce White, 2021-01-11 Work smarter and save time with the librarian's guide to the hidden in plain sight secrets of Excel Sheets and other types of spreadsheets While some librarians have become very skilled at using the full power of Excel and Sheets to turn data into useful and valuable information for many librarians the relevance of spreadsheets and how to use them is not necessarily obvious This book demystifies Excel and other spreadsheets Starting from basic concepts the book progresses to advanced implementations important to librarians in such areas as collection management including evaluation and benchmarking research assessment through the creation of sophisticated bibliometric measures and library design based on an analysis of patron behavior or the creation of a keyword map of physical collections Real life examples highlight a variety of techniques and shortcuts that can be immediately applied to libraries of all kinds Spreadsheets for Librarians is a book for the desk not only the library shelves No prior knowledge of spreadsheets is needed and readers can expect to learn skills that will enhance their reputation as information and data professionals **Computer Spreadsheets for Library Applications** Lawrence W. Auld, 1993-01-05 This is the only detailed and perfectly understandable look at how 2 and 3 dimensional spreadsheets can perform the tasks and data analysis needed by all types of library administrators Most major software programs are explained along with such library applications as tracking circulation estimating shelving capacity and budgeting Completely new applications such as computing fines calculating currency exchanges rates for serials tracking CD ROM use figuring preservation and reference work values **Library of Congress Subject Headings** Library of Congress, 2004 Library of Congress Subject Headings Library of Congress.
