All teachers make mistakes, but when those missteps involve students, they can have negative effects for years to come. This second edition of the bestseller by Carolyn Orange offers reflective scenarios and insights to help teachers learn from examples of undesirable teaching techniques and find better ways to address challenging or stressful classroom situations. **25 Biggest Mistakes Teachers Make and How to Avoid Them** Second Edition includes newly updated scenarios containing real student voices and teacher vignettes, as well as the author's prescriptions for better solutions. Drawn from many years of teaching experience, each prescription is aligned with sound educational theory and provides a dash of humor to help the solution stick. Excellent for staff development workshops and seminars, preservice and inservice teachers, and teacher leaders and mentors, this book's real-life examples offer valuable professional lessons while helping teachers better understand the responses and feelings of their students. **Schoolwide and Classroom Management** Len A. Froyen, Annette M. Iverson, 1999 This book emphasizes the development of management skills across three major areas of teaching: content, instruction, covenant relationships, and conduct. Student behavior. It takes an ecological systems level approach to classroom management, especially in presenting schoolwide discipline policy and procedures. It also features a comprehensive chapter on communication skills, which forms the foundation for effective management. It integrates theory and practice through in-depth examples in each chapter by presenting procedures first, then providing examples of theories.
