

The book cover features a light blue background at the top. Below this, a series of white, rectangular blocks are arranged in a descending staircase pattern from the top left towards the bottom right. A thick, solid red line runs horizontally across the middle of the cover, passing behind the white blocks. Below the red line, the bottom portion of the cover has a green, textured background. The title 'Elementary Statistics' is printed in a large, bold, red serif font in the upper right area. Below the title, the subtitle 'A STEP BY STEP APPROACH' is in a smaller, black, sans-serif font. Further down, 'Tenth Edition' is written in an even smaller, italicized, black font. The author's name 'BLUMAN' is printed in a large, white, sans-serif font at the bottom left, over the green textured area. A small publisher's logo is visible on the left side, near the red line.
