Elements Of Banking:

Elements of Banking Julia Hoyle, Geoffrey Whitehead, 2014-05-21 *Elements of Banking Made Simple* discusses the fundamental concepts of banking. The book covers the various banking services such as saving, lending, and investment. In the first two chapters, the text reviews the history of banking and money system. The succeeding four chapters deal with customers. These chapters cover types of customers and the accounts available to them. Next, the legal bases of banking are discussed while the British banking systems are primarily concerned in Chapters 8 to 11. The next four chapters cover the banking services which include lending, savings, and investment. Chapters 16 to 18 discuss banking and international trade. The next chapter deals with promoting banking services and the last chapter tackles the Institute of Bankers. The book will be of great interest to the undergraduate students of accountancy, business administration, and management. Elements of
