 heroic behavior requires a new type of scholarly imagination one that taps into human artistic sensibilities as much as it does
 the rigors of scientific inquiry In an important sense we invoke a meta version of the call to heroic imagination by Franco

 everyday people toward heroic achievement This eBook also merges our understanding of heroism with heroic leadership
 demonstrating that heroic leadership applies the principles of heroism in moving groups toward noble collective goals This
 eBook represents an effort by a distinguished group of authors to unleash their own creative mindsets attitudes and
 imaginations in their scholarship on heroism and heroic leadership **The Eclectic Magazine of Foreign Literature,
