Illuminati Bible of Divine Light: Part one Sorin Cerin, 2021-07-10 With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and

which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn't I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism Sorin Cerin

A Morphological Interpretation of a Northern Chinese Traditional Village
Kun Li, 2024-04-23 This book challenges the definition of a new approach for integrating protection and enhancing the Chinese heritage category of Traditional Villages By applying a specific case study in the Hancheng context Shaanxi Province which lacks sound studies the book formulates new theoretical prerequisites for future researches an in depth knowledge path and sound methodological principles By working in a multiple scales approach the object of preservation and

enhancement is first of all redefined in its ontology as a unity formed by the courtyard type the morphology of the village and the related landscape structures All these three levels of study have been deeply investigated put into the relationship and resulting in a new methodology which overcomes the inadequacy and ineffectiveness of the notion of setting deriving from conservation Charters to embrace the structural notion of context and a knowledge approach to rural settlements form The innovative and original features of this book are both in the reading villages in their landscape dimension which in turn is studied as a context made of several interrelated structures Another original feature of the book is the integration of Italian historic structural and morphological methodologies with specific Chinese cultural aspects The author s work dug deeply and interdisciplinary in all those dimensions to account for the complex issues that are related and embodied in both the physical and intangible meaning of human settlements opening a novel scientific methodology for Chinese studies as a sound base to define three key integrated project actions what why how to preserve enhance develop
