missing and his best friend from childhood has been murdered Among the living is a shy girl from Tommy's past who wants to help Together they learn the secret of the elephant's graveyard and it's not in Africa At the heart of Coalville is Parade Square with plenty of pigeons drugs and child prostitution It's the new small town America where Dionysus is dancing once again William Kotzwinkle's insight into this paradigm shift is shot through with the humor he is famous for and the result is a spicy brew a bloody martini just one sip may keep you up all night **Felonious Monk** William Kotzwinkle, 2021-08-31 Meet Tommy Martini the monk with an anger management problem Since killing somebody with a single punch is not a needed talent in a monastery he spends his time praying meditating and taking his anger management medicine But his meditations are interrupted by a legacy from his uncle a crooked priest Arriving in a New Age Arizona town to claim his inheritance Brother Tommy meets a charismatic smoking hot cult leader who claims that women are being impregnated by alien beings while they sleep Tommy's own sleep is disturbed by cartel hitmen Mafia bill collectors and women intrigued by his vow of chastity He loses his anger management medicine in time to deal with the hitmen but the women present an uphill battle William Kotzwinkle's quicksilver touch has produced an effervescent piece of entertainment filled with suspense turns you won't see coming and the humor for which he is famous **The Bardo of Waking Life** Richard Grossinger, 2011-05-31 An avant garde set of improvisational essays Richard Grossinger's *The Bardo of Waking Life* is a meditation on the Tibetan Buddhist bardo realm which in popular culture is viewed as the bridge between lives the state people enter after death and before rebirth This book examines waking life and its history and language as if it were a bardo state rather than ultimate reality and thus seeks a context for life and dreams even as it addresses more mundane issues including genetic theory the war in Iraq and George W Bush's presidency North Korea advertising global warming Prison Industrial Culture childhood trauma even country western music Written with playfulness and precision Bardo takes a new probing approach to all the important questions of creation destruction and existence In these intellectual field notes Grossinger proves thematically fearless as he crosses quantum mechanics with totemic hexes and draws transcendental insight from the ephemeral space time we call daily life If as Tibetan cosmology holds true all conditional realms are bardos then the state we all share is nothing less than the bardo of waking life **The A to Z of Fantasy Literature** Brian Stableford, 2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more

than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites
