Nowak,2018-06-15 Walker s vision the text smoothly combines in depth scholarship with a popular readable style to preserve and enhance what the Washington Post called a landmark of zoological literature The Land of the Elephant Kings Paul J. Kosmin,2014-06-23 Taking in the bulk of Alexander the Great s Asian conquests the Seleucid Empire encompassed remarkable ethnic religious and linguistic diversity yet it did not include Macedonia the dynasty s ancestral homeland Paul Kosmin shows how rulers over lands to which they had no historic claim transformed the territory into a coherent space Catalog of Copyright Entries Library of Congress. Copyright Office,1967 The Elephant in the Brain Kevin Simler,Robin Hanson,2018 Human beings are primates and primates are political animals Our brains therefore are designed not just to hunt and gather but also to help us get ahead socially often via deception and self deception But while we may be self interested schemers we benefit by pretending otherwise The less we know about our own ugly motives the better and thus we don t like to talk or even think about the extent of our selfishness This is the elephant in the brain Such an introspective taboo makes it hard for us to think clearly about our nature and the explanations for our behavior The aim of this book then is to confront our hidden motives directly to track down the darker unexamined corners of our psyches and blast them with floodlights Then once everything is clearly visible we can work to better understand ourselves Why do we laugh Why are artists sexy Why do we brag about travel Why do we prefer to speak rather than listen Our unconscious motives drive more than just our private behavior they also infect our venerated social institutions such as Art School Charity Medicine Politics and Religion In fact these institutions are in many ways designed to accommodate our hidden motives to serve covert agendas alongside their official ones The existence of big hidden motives can upend the usual political debates leading one to question the legitimacy of these social institutions and of standard policies designed to favor or discourage them You won t see yourself or the world the same after confronting the elephant in the brain **Elephant Complex** John Gimlette,2015-10-01 A gripping account of an under reported island Spectator Book of the Year A brilliant new book about an island that has a geography from heaven and a history from hell Daily Telegraph A brilliant work of travel history and psychological insight astute and sympathetic very funny Wall Street Journal Everyone has wanted a piece of paradise John Gimlette winner of the Dolman Prize and the Shiva Naipaul Prize for Travel Writing is the kind of traveller you d want by your side Whether hacking a centuries old path through the jungle interrogating the surviving members of the Tamil Tigers or observing the stranger social mores of Colombo s city life he brings his own unique insight to the page a treasure chest of research and a gift for wry amusement Through him Sri Lanka all at once dazzling strange conflicted and beautiful comes to life as never before *Official Gazette of the United States*
