**Children's Books from Other Countries** Carl M. Tomlinson, United States Board on Books for Young People, 1998

Every child is entranced by the magic of story regardless of national boundaries. Many of the most memorable childhood stories have their origins in other countries. Exposing children to this multi-national body of literature introduces them to the great diversity of people and cultures that populate the world at a young age, enabling them to become more thoughtful and generous individuals. *Children's Books from Other Countries* is a complete and current guide to international children's literature. The concept of a bibliography of international children's literature is not new. In the past, many books have accomplished this task. The last two decades, however, have not yet produced a current reference source devoted to international children's books. *Children's Books from Other Countries* wonderfully rectifies this lack of attention. An introductory essay provides an overview of the field, including a discussion on the rationale of sharing international books with children, a brief history of the children's literature movement, related books and awards, and basic information about the International Board on Books for Young People (IBBY) and its American branch, the United States Board on Books for Young People (USBBY). An annotated bibliography contains over 700 titles from 29 different countries printed between 1950 and 1996. All titles are available in English; many have been translated, and others have originated in other English-speaking countries. The titles are organized by genre and have been selected for their high quality. They are primarily targeted for children ages 0-14, although a few outstanding young adult titles are included. Winners of the Mildred Batchelder Award and the Hans Christian Andersen Medal are listed in the appendix. Indexes include Author, Title, Country of Origin, and Subject. Affordable and readable, this timely resource is certainly a must for librarians and teachers and other professionals working with children. Sponsored by the United States Board on Books for Young People. *Vibrant Learning* Debra K. Wellman, Cathy Y. Kim, Lynn Columba, Alden J. Moe, 2018-07-27 Grounded in research, *Vibrant Learning* focuses on language-rich literacy-based collaborative classrooms as the foundation for transforming content area learning. The authors emphasize three areas: 1) strategies to support student understanding of concepts; 2) ideas to encourage student engagement; and 3) creating a lively and respectful classroom environment to foster an integrative approach to learning. Knowledgeable teachers with a repertoire of effective instructional strategies make genuine learning possible. With that in mind, this book presents a solid theoretical background and a set of practical tools in each of its chapters, ranging from assessment, comprehension, vocabulary, motivation to integration for the content area teacher. *White Magic* Elissa Washuta, 2021-04-27 Finalist for the PEN Open Book Award, Longlisted for the PEN Jean Stein Award, A TIME NPR New York Public Library Lit Hub Book Riot and Entropy Best Book of the Year. Beguiling and haunting, Washuta's voice sears itself onto the skin. The New York Times Book Review: Bracingly honest and powerfully affecting, *White Magic* establishes Elissa Washuta as one of our best living essayists. Throughout her life, Elissa Washuta has been surrounded by cheap facsimiles of Native spiritual tools and occult trends: starter witch kits of sage, rose quartz, and tarot cards packaged together in paper and plastic. Following a decade of abuse

addiction PTSD and heavy duty drug treatment for a misdiagnosis of bipolar disorder she felt drawn to the real spirits and powers her dispossessed and discarded ancestors knew while she undertook necessary work to find love and meaning In this collection of intertwined essays she writes about land heartbreak and colonization about life without the escape hatch of intoxication and about how she became a powerful witch She interlaces stories from her forebears with cultural artifacts from her own life Twin Peaks the Oregon Trail II video game a Claymation Satan a YouTube video of Stevie Nicks and Lindsey Buckingham to explore questions of cultural inheritance and the particular danger as a Native woman of relaxing into romantic love under colonial rule
