on Feminist Studies and Gender Perceptions Management Association, Information Resources,2022-01-21 Global society has always been impacted by the perception of gender While gender roles may differ in certain cultures many cultures around the world have allowed for the disempowerment and objectification of women Women today still struggle for gender equality whether it be professionally socially or even legally To examine feminism thoroughly however thorough analysis must be conducted on all genders and perceptions The Research Anthology on Feminist Studies and Gender Perceptions explores the application of feminist theory and women empowerment in the 21st century and the role that gender plays in society This book analyzes media representation gender performativity and theory to present a comprehensive view of gender and society Covering topics such as masculinity women empowerment and gender equality this two volume comprehensive major reference work is an essential resource for sociologists community leaders human resource managers activists students and professors of higher education researchers and academicians

Planning Academic Library

Orientations Kylie Bailin,Benjamin Jahre,Sarah Morris,2018-06-28 Colleges and universities throughout the world plan library orientations for first years or specific audiences such as transfer or international students These events can vary greatly in shape and form depending on the size resources and staff of the institution orientation schedule and whether it is mandatory for students Some institutions plan day long events elaborate games or scavenger hunts some offer drop in sessions or library tours others offer an online orientation Planning Academic Library Orientations gathers case studies from around the world covering a wide variety of approaches as a guide to those revamping or creating new library orientations

Chapters are organized into the following thematic sections Games Marketing Partnerships Targeting Specific Audiences Technology and Tours and are cross referenced if they touch on additional themes Each chapter includes institutional information so readers can decide which type of orientation is appropriate for their own institution and see what resources are required Gives guidance on best practices for academic library orientations Gathers examples from around the world to provide international perspective Empowers librarians to take aim at the anxiety felt by new and first year students Presents effective ways of introducing students to what a college university library is what it contains and where to find information while also showing how helpful librarians can be
