Adventures in Missing the Point Brian D. McLaren, Tony Campolo, 2010-10-05 If you're brave enough to take an honest look at the issues facing the culture controlled church and the issues in your own life read on Do you ever look at how the Christian faith is being lived out in the new millennium and wonder if we're not doing what we're supposed to be doing That we still haven't quite gotten it That we've missed the point regarding many important issues It's understandable if we've relied on what we've been told to believe or what's widely accepted by the Christian community But if we truly turned a constructive critical eye toward our beliefs and vigorously questioned them and their origins where would we find ourselves Best selling authors Brian McLaren and Tony Campolo invite you to do just that Join them on an adventure one that's about uncovering and naming faulty conclusions suppositions and assumptions about the Christian faith In *Adventures in Missing the Point* the authors take turns addressing how we've missed the point on crucial topics such as Salvation The Bible Being Postmodern Worship Homosexuality Truth and many more
