Economic Development Regional Cooperat:

Regional Integration and Economic Development N. Saavedra-Rivano, A. Hosono, B. Stallings, 2001-09-06 Regional integration seems to be thriving everywhere as the examples of the Association of South East Asian Nations ASEAN the North Atlantic Free Trade Area NAFTA and the Southern Common Market will illustrate More ambitious schemes such as Asian Pacific Economic Cooperation APEC and those for Western hemispheric integration are also underway How do these trends for integration relate to national development strategies The contributors to this volume provide new insights into these developments as well as assessing the prospects for further integration

21st Century Cooperation Antoni Estevadeordal, Louis Goodman, 2017-05-18 This edited volume explains the importance of regional public goods RPGs for sustainable development and shows why they are particularly important in the context of 21st century international relations By presenting a new and original data set and by presenting original essays by renowned scholars this book lays the foundation for what will become an increasingly important focus for both economic development and international relations as well as for their intersection The volume contains four parts The first introduces the core issues and concepts that are explored throughout the book as well as a new and original data set on RPGs The second part further develops specific concepts important for understanding 21st century RPGs regional leadership alliances networks and outcomes The third examines how cooperation takes place worldwide for a range of important RPGs Finally the fourth part discusses how public goods are produced in specific regions stressing that each region has a distinct context and that these contexts overlap in a decentered multiplex manner Global economic cooperation will be different in the 21st century and this volume will be of interest to students and scholars of global governance economic development international political economy sustainable development and comparative regionalism

BCIM Economic Cooperation Gurudas Das, C. Joshua Thomas, 2018-09-03 This book examines the strategic and economic logic behind the Bangladesh China India Myanmar BCIM Regional Cooperation According to estimates BCIM covers approximately 9 percent of the world's mass and 40 percent of the world's population spanning across four countries constituting the confluence of East Southeast and South Asia It contributes about 13 percent to world trade but ironically only 5 percent to inter regional trade This volume compares the various approaches to cooperation trade led vs project led geo political vs geo strategic Sino centric vs India led The chapters explore the complex interplay of geo economics and geo politics associated with BCIM sub regional cooperation in general and the BCIM Economic Corridor BCIM EC in particular It points to the current challenges that impede globalisation and economic growth and critically reviews implications for the stakeholders institutional frameworks and the spatial impact of the Corridor especially on the underdeveloped regions The book discusses the geo political geo economic and geo strategic advantages that will accrue to the member countries once the sub regional cooperation becomes fully functional It advocates the adoption of best practices from similar sub regional groupings across the globe This book will be of great interest to scholars and researchers of politics and international relations geo politics strategic studies sub regional cooperation South Asian studies India China relations foreign trade and economics besides those dealing with foreign policy and development

cooperation It will especially benefit policymakers development agencies and strategic think tanks **The Political Economy of Regional Cooperation in the Middle East** Ali Carkoglu,Mine Eder,Kemal Kirisci,2005-07-08 This book shows that co operation between the more open regimes in the Middle East such as Israel Jordan Egypt Palestine and Turkey could pave the way to increased stability in the region **Dynamics of Self-Determination in Palestine** Waart,2021-10-11 The Arab Israeli conflict has become an example of total disregard for international law by all parties involved including the United Nations to the detriment of a regional and global lasting peace The conflict has contributed considerably to the erosion of the moral and legal authority of the United Nations while the international community has failed to take prompt advantage of the East West detente Peoples with statehood the Iraqis Somalis Yugoslavs and even more those without the Palestinians paid a high price for the international lack of decisiveness Dynamics of Self Determination in Palestine discusses the Palestinian conflict in the light of the protection of peoples under international law Chapter One treats the fact that the Arab states and the Palestinians have overlooked the element of negotiation in the keeping of international order Chapter Two discusses the International Bill of Rights in which the UN included self determination in order to protect peoples against oppression while Chapter Three expounds on the fact that in doing so it shaped the framework for the settlement of conflicting territorial claims to Palestine The final chapter sets forth the desired UN participation in the creation of Palestine

A Region's Fortune: Economics Redefined Pasquale De Marco,2025-07-06 In a world increasingly defined by interconnectedness it is easy to assume that globalization is a universal phenomenon However in his groundbreaking book A Region s Fortune Economics Redefined Pasquale De Marco argues that globalization is not a monolithic force but rather a complex and dynamic process that varies across regions Drawing on decades of research Pasquale De Marco reveals that the global economy is actually made up of a series of regional blocs each with its own unique characteristics and dynamics This new understanding of globalization has profound implications for businesses governments and individuals For businesses it means that they need to tailor their strategies to the specific regions in which they operate For governments it means that they need to develop policies that are responsive to the needs of their own regions And for individuals it means that they need to be aware of the economic and social forces that are shaping their lives A Region s Fortune Economics Redefined is a must read for anyone who wants to understand the true nature of globalization and its impact on our world Pasquale De Marco provides a clear and concise analysis of the complex forces that are shaping the global economy and he offers practical advice for businesses governments and individuals on how to navigate the challenges and opportunities of globalization In the chapters that follow Pasquale De Marco explores the regional dynamics of globalization in depth He examines the factors that drive regional economic growth the challenges that regions face and the policies that governments can implement to promote regional development Pasquale De Marco also discusses the role of regional cooperation in addressing global challenges such as climate change and poverty A Region s Fortune Economics Redefined is a timely and

important book that offers a new perspective on globalization Pasquale De Marco's insights are essential reading for anyone who wants to understand the world we live in and the challenges we face If you like this book write a review on google books

The Political Economy of Regional Cooperation W. Andrew Axline, 1994 This book synthesizes development theory and empirical studies to present a comparative analysis of cooperation in four regions in the developing world Asia ASEAN Latin America ANDEAN the Caribbean CARICOM and the South Pacific SPF **Nuclear Weapons Free Zones** Exequiel Lacovsky, 2021-03-08 This book explores the conditions under which Nuclear Weapons Free Zones NWFZs can be established It analyzes four hypotheses that explain the factors contributing to the formation of NWFZs building upon realist constructivist and liberal theories from international relations Through structured focused comparison the book presents and compares the emergence of NWFZs in Latin America the South Pacific Southeast Asia Africa Central Asia and the Middle East which is a prospect for a NWFZ The book argues that NWFZ projects depend on the following conditions the security interest of regional states in avoiding nuclear threats preexisting regional institutions and regional economic cooperation leadership by a core of regional powers and shared interest in spreading non proliferation norms Democracy is not a necessary condition but democratization can help overcome barriers presented by hesitant or opposed regional governments As too many of the mentioned necessary conditions are lacking in the Middle East a NWFZ project thus will be possible only after major political changes This book will be of much interest to students of nuclear proliferation arms control security studies and International Relations

The Belt and Road: Industrial and Spatial Coordinated Development Wei Liu, Hui Zhang, 2022-09-13 This book mainly addresses China's Belt and Road Initiative in terms of the connectivity industrial and spatial development as well as current world's

economic and trade pattern under such synergy development and focuses on the function and mechanism of industry and geography coordination. Although current research on the value circulation between China and developed economies is relatively adequate, the book focuses on the value circulation between the countries and regions, especially the developing economies. China and other developing countries tie strongly with the production value circulation. The coordination of industrial and spatial development in the global value cycle is also the cornerstone of long-term stabilization and sustainable development in China. Therefore, this book provides the theoretical and empirical research on Belt and Road from the perspectives of industrial and spatial synergy. This book proposes several questions: Any inherent inlay between industrial and geographic allocation, i.e., is there any possibility for close integration? This book analyzes the necessity of coordinated development of industry and space, the perspective of production division. Secondly, from the perspective of historical evolution and current situation, it analyzes the relationship among industry, economic growth and fluctuation, and compares realizing paths of synergy of industrial and spatial development. It contains the industry and spatial diffusion mechanism and the effect of synergy development. Moreover, the corresponding policy implication is provided for sustainable development through the Belt and Road Initiative.
