**Economics in Our Times** Roger A. Arnold, 1999      **A Life in Our Times** John Kenneth Galbraith, 2019-07-31 In his memoirs John Kenneth Galbraith recalls amusingly even brilliantly the important and low moments in his life the men and women he met who were great only interesting entertaining or even absurd Galbraith studied agriculture in his native Canada and agricultural economics at UC Berkeley He taught at the University of California served briefly in FDR's administration and went on to Harvard In Cambridge England he discovered the new economics of John Maynard Keynes During World War II in Washington he held the key job of organizing and administering the system of wartime price controls After the war Galbraith directed the survey that interrogated former Nazi leaders to assess the effects of the air war on the German economy He then worked for the State Department as administrator for economic affairs in the occupied countries and served as an editor of Fortune when the magazine employed some of the best writers around Galbraith returned to Harvard in 1948 and wrote three of the most influential books on economics of his time *The Affluent Society* *The New Industrial State* and *Economics and the Public Purpose* In these lively memoirs the author relates all of this and more his two major political campaigns with Adlai E Stevenson for whom he was adviser and speech writer and John F Kennedy for whom he campaigned across the country his years as ambassador in India and his long opposition to the Vietnam war And he shares the lessons learned from these experiences On every subject Mr Galbraith is succinct and witty The book is full of strong opinion and proceeds by the vehicle of anecdote The serious business of the book is to trace the steps of its author's astonishingly varied and useful life Mr Galbraith's vigor of expression as well as an account of a period of gloom and psychotherapy prevents the writing from ever sounding impersonal That serious business is also to set the record straight on what his books were about and how he evolved his theory of *The Affluent Society* and *The New Industrial State* as two of his most important works were named on why the bombing of Germany during World War II was less than useless why it was

patently unnecessary to wage atomic warfare on Japan and why he came to be a dissenter on the war in Vietnam On inflation On the secular priesthood that once presided at the State Department And enchantingly on such movers and shakers he came to know well as the New Dealer Leon Henderson Paul Baran the most interesting economist I have ever known Bernard M Baruch Adlai E Stevenson John F Kennedy and Lyndon B Johnson Christopher Lehmann Haupt The New York Times As a raconteur and a literary stylist Galbraith stands with the best As entertainment the book is a total success Its charm comes from the combination of Mr Galbraith s smooth comic timing and his not always charitable wit James Fallows The New York Times Galbraith ranks with the most entertaining and provocative political writers in America in this century Without Galbraith the political literature of our time would be far drearier Gaddis Smith Foreign Affairs Galbraith has assembled a well nigh complete record of what he has been up to professionally at least since leaving his family s Ontario farm The account is fascinating The narrative consistently holds the distinctive Galbraith style that makes all his books read like a nippy breeze Geoffrey Colvin Christian Science Monitor Absorbing and irresistible The New Yorker An enjoyable book full of fun full of wisdom and full of rare insights into the history of our times The New Republic A delightfully teeming book Galbraith s comic voice is a distinctive and durable literary achievement Atlantic Monthly A highly perceptive commentary on all our yesterdays anecdotal amusing animated and above all illuminating John Barkham Reviews *The Tariff in Our Times* Ida M. Tarbell, 2022-09-04 Ida M Tarbell s *The Tariff in Our Times* stands as a significant historical examination of American trade policy from the post Civil War era to the early 20th century With exceptional clarity and the meticulous attention to detail for which Tarbell is known this work navigates through complex economic landscapes to display the implications of tariff policies on the American economy and its society Her narrative though rooted in its period transcends its era with a timeless exploration of the intersection between politics and economic theory It s an exceptional piece of literature that illuminates the literary context of progressive era muckraking through a focused lens on economic issues Ida M Tarbell pioneering journalist and one of the leading muckrakers of the progressive era offers in this work her incisive perspective shaped by her commitment to social justice and equality Her investigative journalism which famously took on the Standard Oil Company showcases her drive to uncover the impacts of corporate and governmental decisions on average Americans With *The Tariff in Our Times* Tarbell continues her exploration of American industry this time providing readers with a critical understanding of the tariff s role within the national economic conversation Ideal for readers with an interest in economic history policy and American history *The Tariff in Our Times* remains a compelling read It serves as both a scholarly resource and an engaging narrative for those looking to understand the historic dynamics of American tariffs and their ongoing relevance today Tarbell s expert storytelling and exhaustive research make this book a recommended title for anyone seeking greater insight into the fabric of American economic policy and the literary accomplishment of one of the era s most influential investigative journalists **Economics in Our Times** Roger A. Arnold, Glenda Samples, 1999 **Values**

**of Our Times** Deshun Li, 2013-06-01 Philosophers have gradually accepted axiology as one branch of philosophy As a basic category belonging to axiology and philosophy value is the general abstraction of concrete value formation in various fields including utility ethics and appreciation of the beauty The problem of value is essentially a problem of historical activities of practice in human society The axiology based on the scientific practice view insists on the principle of unification between theory and practice truth and value In research of axiology the relation between subjectivity and objectivity of values is a problem that must be solved in the first place The modern conversation of value philosophy is the academic and practical demands of the value philosophy research in China Value evaluation is an important part of the axiology In order to deepen the research of value philosophy and to promote the development of current value philosophy we must have scientific mode of thinking suitable for the nature of value It is the base of value relation the origin of value needs the process of value creation and actualization and the fundamental way to proving ones value as a human being

**Time in Our Times** Astrid Marie Holand, 2024-07-22 What is happening to perceptions of time durability and reality in the twenty first century and how do we deal with it This anthology explores a diversity of uncommon insights about time as seen from our historical and geographical standpoint All contributions discuss how time can be seen and how these views relate to changes in nature technology economy working life politics religion or philosophy specific to our own time Findings are discussed within three themed sections In Search of a Deeper Theory of Time Time as Social Expectancy and Time as Lived Experience Contributions in this volume span from classical theory on branching time to personal experiences of drug addicts time Together these diverse contributions shed new light on how construction perception and regulation of time influences a person s whole being in the world collectively and individually in the short and very long run from the beginning of the Anthropocene to future cybertime

**Economics for Our Times** Augustus H. Smith, 1953

**Plural Marriage for Our Times** Philip L. Kilbride, Douglas R. Page, 2012-08-17 This thoroughly revised second edition offers a child centered international perspective as it urges America to de stigmatize alternate family forms In this book s first edition Philip L Kilbride showed polygamy as the preferred marriage pattern in most parts of the nonwestern world and explained how plural marriage is surfacing in western countries to address economic and spiritual crises In Plural Marriage for Our Times A Reinvented Option Second Edition Kilbride and his coauthor Douglas R Page update and enhance this thesis in light of contemporary circumstances new studies and current legal debates This new edition examines plural marriage s benefits for children It extends the discussion of polygamy and religion especially the Muslim perspective on marriage and family considers the illegal polygamy of immigrants and looks at multiple marriage in African American communities where crisis polygamy is a growing phenomenon The authors suggest Americans consider plural marriage as a viable practice that can help reduce the divorce rate better protect women and children and serve as an alternative to the fractured family so prevalent in America today

**My Life, Our Times** Gordon Brown, 2017-11-07 This revelatory memoir from Britain s former

Prime Minister offers vital insights into our extraordinary times Former Prime Minister and the country's longest serving Chancellor Gordon Brown has been a guiding force for Britain and the world over three decades This is his candid poignant and deeply relevant story In describing his upbringing in Scotland as the son of a minister the near loss of his eyesight as a student and the death of his daughter within days of her birth he shares the passionately held principles that have shaped and driven him reminding us that politics can and should be a calling to serve Reflecting on the personal and ideological tensions within Labour and its successes and failures in power he describes how to meet the challenge of pursuing a radical agenda within a credible party of government From the invasion of Iraq to the tragedy of Afghanistan from the coalition negotiations of 2010 to the referendums on Scottish independence and Europe Gordon Brown draws on his unique experiences to explain Britain's current fractured condition By showing us what progressive politics has achieved in recent decades he inspires us with a vision of what it might yet achieve Riveting expert and highly personal this historic memoir is an invaluable insight into our times Economic and Pop Culture-Economics in Our Times Arnold,2000-06-01

Regenerative Economics John Fullerton,2025-11-18 A bold vision of an economy as an intelligent living organism freed from the mindless finance algorithm unlocking unseen potential Regenerative Economics is based on the deceptively simple idea that an economic system should emulate the process and patterns that define all life enabling it to adapt and evolve to higher levels of complexity This science based next evolution of economics explains the root cause of the polycrisis the compounding impacts of climate change ecosystem and biodiversity loss planetary systems breakdown and increasing social and economic inequity and promises a hopeful pathway forward at this pivotable moment Rather than reacting to crisis after crisis the purpose of a regenerative economy is to create the conditions that nurture and sustain health and all life This hard hitting and scientifically rigorous yet ultimately hopeful book Identifies the unseen fatal error of our current economic model Outlines a set of key regenerative design principles to navigate the polycrisis Prescribes transformative individual actions and policies which both embrace and move beyond current materialist ideas of sustainability circularity and degrowth to redefine systemic health and true value within the context of a whole living systems approach Offers a fresh pathway through the polycrisis and toward a new economy one that prioritizes human and planetary well being operates within ecological limits and promotes a more just and sustainable future This seminal work is required reading for business government and community leaders economic thinkers academics and anyone who questions the future of capitalism given the reality of finite planetary boundaries and growing social injustice **Economics in Our Times** McGraw-Hill Staff,2000-06-01

Economics In Our Times: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Economics In Our Times : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
