## **Economics Canada Selected Readings:**

*Economics Canada* Burton Seely Keirstead,1974-01-01      *Economics Canada* Burton Seely Keirstead,1974-01-01

*Economics: Canada, Recent Readings* Melville H. Watkins,Mel Watkins,Donald F. Forster,1963      **Selected Readings in Mineral Economics** F.J. Anderson,2013-10-22 Selected Readings in Mineral Economics reviews the economic principles of mineral investment activities and mining decisions Topics range from mineral reserves and exploration to the economics of mineral projects taxation issues and marketing and finance This text is comprised of 27 chapters After explaining the distinction between resources and reserves this book proposes a concept of mineral reserves The chapters that follow explore the conversion of resources into reserves through the exploration process while focusing on the flow from resources to reserves and metal production based on the concept of the monitoring curve along with the process of depletion and reserves replacement The next section illustrates the range of issues associated with rational project evaluation in the minerals sector considering the discounted cash flow techniques and option pricing as an approach to mine valuation The effects of Canada s tax system on the mineral supply process are then examined together with international mineral markets and finance This text concludes with a chapter that analyzes financing methods for large scale mining projects including innovative methods of debt finance involving risk sharing This book will be of interest to those working in the mining and metallurgical industries      **The Canadian Economy** ,1961      **Economic Analysis & Canadian Policy** David Stager,2013-09-24 Economic Analysis its banking systems its fiscal policy public debt and budget deficit and international trade policies patterns and rationale Part III covers consumer demand production costs supply market competition and market structure Part IV talks about labor market and wages income distribution in Canada and regional income disparity The text is recommended for economists and financial analysts especially those who would like to study about Canada s economy and its policies      **Selected Reading Lists for Advanced Study** ,1971      *The Canada Year Book* ,1975

**Thinking Outside the Box** Keith G. Banting,Richard P. Chaykowski,Steven F. Lehrer,2015-11-30 Building on the work presented in Styran and Taylor s This Great National Object which told the story of the first three Welland canals built in the nineteenth century This Colossal Project chronicles an impressive milestone in the history of Canadian technological achievement and nation building      *Newsletter* United States. Department of State,1976      **The New Canadian Political Economy** Wallace Clement,Glen Williams,1989 Studies in political economy are now at a crossroads The revival of political economy as an important area of research in Canada began in the early 1970s with the publication of Kari Levitt s Silent Surrender In 1976 it was launched in earnest by the fi      *The American economic review* ,1924      **Read Canadian** Robert Fulford,Abraham Rotstein,David Godfrey,1972-01-01 Soon after its publication in 1972 Read Canadian was acclaimed as a seminal guide to books by and about Canadians It remains a landmark guide to the headwaters of Canadian society its history and literature It is an absorbing helpful guide to the books that have been written to the time of publication about this

country its people politics history and arts It also explores the world of Canadian fiction and poetry with distinguished literary critics who discuss the best novels and poetry the country had produced Read Canadian remains a valuable sourcebook for people who want to learn more about Canada and Canadian books

**How to Find Out About Canada** G. Chandler, H. C. Campbell, 2014-05-16 How to Find Out About Canada presents the various aspects of the social and political structure in Canada This book examines the literature arts and science economy and educational system in the country Comprised of 15 chapters this book starts with an overview of the Canadian government publishing and several periodical publications This text then describes the religious development of the nation encompassing all primary denominations and their intimate relationship to economic and political life Other chapters consider the various studies in the political and social fields that are carried on by governments labor unions industry cooperatives and the various Canadian political parties This book discusses as well the degree of standardization and equality of educational opportunity for children in all parts of Canada The final chapter deals with the various documents relating to the history of Canada This book is a valuable resource for students teachers and readers whose interests span a variety of fields

**Newsletter**, 1976

**The Elgar Companion to John Maynard Keynes** Robert W. Dimand, Harald Hagemann, 2019 The most influential and controversial economist of the twentieth century John Maynard Keynes was the leading founder of modern macroeconomics and was also an important historical figure as a critic of the Versailles Peace Treaty after World War I and an architect of the Bretton Woods international monetary system after World War II This comprehensive Companion elucidates his contributions his significance his historical context and his continuing legacy

**The Economics of Business Investment Abroad** H. Peter Gray, 1972-06-18

**The Economics of Regional Trading Arrangements** Richard W. T. Pomfret, 2001 Regionalism became a major issue in international commercial diplomacy during the 1990s The European Union's 1992 program the formation of NAFTA and attempts to form or strengthen regional trading arrangements in South America southern Africa and Southeast Asia were all viewed as challenges to the nondiscrimination principle that had been the cornerstone of the postwar international trading system This book provides a unified analysis of policies which discriminate among trading partners featuring ample treatments of both history and theory as well as a review of empirical studies

**Wilbur Schramm and Noam Chomsky Meet Harold Innis** Robert E. Babe, 2015-04-21 Wilbur Schramm and Noam Chomsky Meet Harold Innis is an original critical in depth analysis of the media and communication thought of Canada's most highly acclaimed scholar Harold Adams Innis Even in Canada however Innis's writings until now have been only partially cited and interpreted Innis is usually stereotyped as being merely an economic historian fixated on previous civilizations whereas in fact he was an astute analyst whose main concerns were with present problems and future trajectories In the United States meanwhile Innis's media and communication writings have been quite neglected and even denigrated Drawing on Innis's less frequently cited work including his long neglected Political Economy in the Modern State Robert Babe opens up Innis's media scholarship as

a whole unfolding it in startling critical yet ultimately appreciative ways By comparing Innis s media scholarship with Wilbur Schramm s and Noam Chomsky s moreover Babe tests the claims positions and modes of analysis not only of Innis but also of the other two celebrated scholars as well casting new light on their works and allowing the reader to imagine what sort of discourses might have been possible had the three been in conversation together Wilbur Schramm and Noam Chomsky Meet Harold Innis provides comparative insight into foundational media scholarship in the United States and Canada and explores in some detail the relevance of Innis for twenty first century digitized society Continentalizing Canada Gregory J. Inwood,2005-01-01 Free trade has been a highly contentious issue since the Conservative government of Brian Mulroney negotiated the first deal with the United States in the 1980s Tracing the roots of Canada s contemporary involvement in North American free trade back to the Royal Commission on the Economic Union and Development Prospects for Canada in 1985 also known as the Macdonald Commission Gregory J Inwood offers a critical examination of the commission and how its findings affected Canada s political and economic landscape including its present day reverberations Using original research including content analysis interviews archival information and surveys of relevant literature Inwood argues that the Macdonald Commission created an atmosphere and political discourse that made the continentalization of Canada possible by way of free trade agreements with the U S and Mexico Through the use of a suspect research program and with the aid of a select oligarchy within the Commission and the government bureaucracy opposition to continentalism from both the majority of the Canadian population and even several commissioners was ignored Accessible to readers interested in Canadian politics policy or economy Continentalizing Canada offers a thorough examination into the Macdonald Commission and the resulting discourse in the Canadian political economy
