the illness Most influential and important to my healing and recovery however was the utilization of both borrowed and original strategies that keep me healthy to this day The sharing of these strategies which include identifying ones gifts relying on family members friends and caregivers improving ones self esteem identifying ones authentic self connecting with healers being in gratitude setting goals and using positive affirmations for the purpose of recovering and maintaining positive mental emotional spiritual and physical health is the reason why I have written this book

**The Cosmic Spirit** Roland Faber,2021-03-04 Are we more than stardust Is the appearance of the fragile Earth in the vast universe more than an accident Are we not children of a Spirit that pervades the dust rejuvenates life and embraces the ever evolving universe Is there a cosmic Spirit that wants us to awaken to a consciousness of universal meaning sacred purpose and mutual friendship with all beings This book answers these questions with a spirituality of the numinous in our relation to the elements of the Earth in the matrix of the multiverse by taking you on a journey through nine paths and nineteen meditations of awakening Not bound by any religion but in deep appreciation of the religious and spiritual heritage of human encounters with the divine depth of existence in our selves and in nature they invite you to become sojourners by engaging the most profound embodiments of the intangible Spirit by which it facilitates its own materialization in the cosmos and our spiritualization of the cosmos Use says this Spirit the stardust that you are to become a spirit faring species in an eternal journey of the cosmos to realize its ultimate motive of existence the attraction of love      SPIRITUAL AWAKENING Darshan Singh,2025-02-22 The Golden Age begins with each of us it begins within each of us There is a sure definite path which we can follow to realize the totality of our potential the path of Spiritual Awakening It is at once man s oldest and his newest preoccupation We need only look at recent medical research in life after death experiences and studies in the New Physics to realize that science itself is now confirming the insights of the ancient prophets and mystics The language and

symbols may change as time passes or as we move from one culture to another but the underlying truth is the same The talks collected here fall into three parts Part I Eternal Science deals with the fundamentals of spirituality Part II Crucible examines the daily discipline necessary for success on the spiritual path Part III Alchemy of Love considers love as that alchemy which alone transforms the human into the divine Finally Part IV comprises questions and answers which explore related issues If some of the chapter titles appear to be unusual for a collection on mysticism and spirituality there is an unusual explanation I made my first tour of America during the summer of 1978 A two month program of lectures was planned but much to the dismay of those traveling with me the suitcase filled with all my notes articles and manuscripts the material for my lectures was lost by the airlines With talks scheduled for almost every night what was to be done As I then remarked The choice is to turn and flee or to plunge headlong into the program Relying on the grace of the great Masters Hazur Baba Sawan Singh and Sant Kirpal Singh I decided to take the plunge According to an old tradition in India parents are honor bound to preserve the purity of their daughter up to the time they give her away in marriage So I prayed to the Masters to preserve their own honor and they came to my rescue Because of these circumstances the themes of the talks often suggested themselves by the accidents of the moment On one occasion as I walked to a hotel lecture hall a marriage party was in progress and the result was Eternal Spouse On another the hotel's air conditioning failed and the guests squirmed in discomfort This mechanical breakdown became my point of departure for Air conditioning This collection of talks also includes several delivered in India and these too follow a similar pattern of development After particularly heavy rains floods destroyed much property and tragically took the lives of many people in Delhi Witnessing the extent of this disaster on the way to deliver a weekly discourse I spoke of the Boat of Naam I am indebted to Vinod Sena Ruth Seader and Jay and Ricki Linksman for preparing this volume for publication Some of the chapters contained herein have previously appeared in periodicals and I am grateful to Malcolm and Kate Tillis for reviewing those chapters Thanks are also due to those who assisted in transcribing typing typesetting paste up or proofreading They are Jamie and Martha Smith John and Isabel Wolf George Barham Ron and Valerie Tarrant Sandy Glassman Dale and Marsha McCurley Alex Vafiadis John Servidio Jonathan and Douglas Kruger Chris and Katie McCluney Jane Disinger Georg Koester Meena Kumari Joanne Wiemeyer Mary Paton Eliot Rosen Ed Wallace Julius Burt Bruce Dodd and Sham and Sunaina Bhatia Darshan Singh
