From school fundraising activities to fundraising for the local church roof I was always at the center of something fundraising related In my early 20 s I decided to raise funds for a disability charity that had supported my family the challenge was to raise 2500 and hike 100 km across the Sinai Peninsula in Egypt Waking up one morning in the desert slightly sunburnt unwashed for days and sand in all the wrong places I decided fundraising was the life for me For the last twenty years I have worked as a professional fundraiser and worked my way from a fundraising administrator to a charity CEO What has always struck me during this time is the power of community and the dedication of individuals just like you who take time out of their busy lives to raise funds for causes they believe in From building sports halls and fixing church roofs to providing shelter and care for the vulnerable the compassion and dedication of our local communities are the backbones of fundraising worldwide I wrote this book to say thank you and to provide you not only with some great fundraising ideas but also practical advice as to what you need to do to scale those ideas to raise 1 000 from each *How To Raising Money* Bernie
