Sneaking Into the Flying Circus Alexandra

Pelosi,2005-06-01 Alexandra Pelosi creator of the Emmy award winning film Journeys with George and of Diary of a Political Tourist makes her literary debut with an intimate look at the frenzied and grueling underbelly of presidential campaigning and the puppet role of the media Pelosi went along on the campaign trail in order to as she puts it document the absurd hazing rituals that our presidential candidates have to go through With this savvy well connected and fearless guide it s a rollicking breakneck journey unlike any other Pelosi s one on one time with the 2004 presidential candidates affords an up close perspective on the highs and lows of campaign life the genuine thrill of seeing America the unrelenting grind of endless campaign stops the hope and heartache of poll results While the candidates try to stick to tightly constructed scripts Pelosi s nonnetwork angle makes for revealing portraits of the men who wanted to be president But even more Pelosi s approach reveals fundamental flaws in the media s election coverage A former member of the campaign press corps she turns her gimlet eye on the media which are busy enacting their own election time rituals Every election cycle journalists defy the theory of evolution living sequestered on a bus with no sleep few showers and tons of junk food going town to town listening to the same speech over and over You re stuck in this dysfunctional relationship between the news organization that has you there to do their bidding and the campaign that is trying to co opt you And herein lies Pelosi s driving point politicians and journalists don t trust each other and so in election coverage and in politics in general the press is utterly hamstrung Since the candidates never say anything unscripted and the journalists have to make nice in order to maintain access modern presidential campaigns have become little more than media events Politicians and journalists alike are going through the motions and the voters have no idea who the candidates really are But Pelosi says the public are not fools Everyone knows that the media do not give them an accurate portrait of a person No wonder people are apathetic But whose fault is it Are the candidates driving people away from the political process or are the media keeping them out Probing insightful and lively

Sneaking into the Flying Circus exposes the election process for what it is a three ring gala production that comes to town every four years As a nation and an audience we re often willing to suspend disbelief and we often can t resist when the clowns try to get us in on the act It is after all the greatest show on earth **American Funeral Director** ,1928 Circus Wayne Koestenbaum,2019-07-09 A new edition of a dazzlingly seductive fever dream written in brilliant poetic vernacular Bookforum by a beloved poet and cultural critic now with an introduction by Rachel Kushner For five years concert pianist Theo Mangrove has been living at his family s home in East Kill New York recovering from a nervous breakdown that derailed his career and attempting to relieve his relentless polysexual appetite in the company of male hustlers random strangers music students his aunt and occasionally his wife As he prepares for a comeback recital in Aigues Mortes a walled medieval town in southern France he becomes obsessed with the idea that the Italian circus star Moira Orfei must join him there to perform alongside him Extravagantly and tragicomically describing his hallucinatory plans in a series of twenty five notebooks he assembles an incantatory meditation on performance failure fame decay and delusion If Debussy and Robert Walser had collaborated on an opera it would sound like this John Ashbery FBI Law Enforcement Bulletin ,1949

popular music The band that started out as the American Rolling Stones noted for their wildly unpredictable performances their jazzy vibe and the crazed monologues of their front man ended as badly as did the 60s abruptly bloodily crippling Along with evoking the cultural milieu of Los Angeles in the era bestselling writer Mick Wall captures the true spirit of that tarnished age From the release of their classic first album The Doors to their last with Jim Morrison L A Woman this band biography is a brilliantly penetrating and contemporary investigation into the real story of the Doors **The Rise of the American Circus, 1716-1899** S.L.
