## **Fungo Blues:**

**Fungo Blues** Philippe Van Rjndt, Blednick, Patrick, 1985      **Stumbling Around the Bases** Andy McCue, 2022-04 From the late 1950s to the 1980s baseball's American League mismanaged integration and expansion allowing the National League to forge ahead in attendance and prestige While both leagues had executive structures that presented few barriers to individual team owners acting purely in their own interests it was the American League that succumbed to infighting which ultimately led to its disappearance into what we now call Major League Baseball Stumbling around the Bases is the story of how the American League fell into such a disastrous state struggling for decades to escape its nadir and when it finally righted itself losing its independence The American League's trip to the bottom involved bad decisions by both individual teams and their owners The key elements were a glacial approach to integration the choice of underfinanced or disruptive new owners and a consistent inability to choose the better markets among cities that were available for expansion The American League wound up with less attractive teams in the smaller markets compared to the National League and thus fewer consumers of tickets parking beer hot dogs scorecards and replica jerseys The errors of the American League owners were rooted in missed cultural and demographic shifts and exacerbated by reactive decisions that hurt as much as helped their interests Though the owners were men who were notably successful in their non baseball business ventures success in insurance pizza food processing and real estate development didn't necessarily translate into running a flourishing baseball league In the end the National League was simply better at recognizing its collective interests screening its owners and recognizing the markets that had long term potential      **In Pursuit of Pennants** Mark Armour, Daniel R. Levitt, 2018-04-01 The 1936 Yankees the 1963 Dodgers the 1975 Reds the 2010 Giants why do some baseball teams win while others don't General managers and fans alike have pondered this most important of baseball questions The Moneyball strategy is not the first example of how new ideas and innovative management have transformed the way teams are assembled In Pursuit of Pennants examines and analyzes a number of compelling winning baseball teams over the past hundred plus years focusing on their decision making and how they assembled their championship teams Whether through scouting integration instruction expansion free agency or modernizing their management structure each winning team and each era had its own version of Moneyball where front office decisions often made the difference Mark L Armour and Daniel R Levitt show how these teams succeeded and how they relied on talent both on the field and in the front office While there is no recipe for guaranteed success in a competitive ever changing environment these teams demonstrate how creatively thinking about one's circumstances can often lead to a competitive advantage      The Blue Museum Phil Cousineau, 2021 For nearly three thousand years King Sisyphus of Corinth has been one of the most compelling characters in world mythology The iconic image of Sisyphus putting his shoulder to the boulder and pushing it to the summit of a mountain in the Underworld is recognizable the world over To many poets and philosophers from Homer and Aeschylus to Lucille Clifton and Albert Camus

the rebel hero has been a powerful symbol for hard earned wisdom and the struggle to transcend suffering while more skeptical commentators have interpreted Sisyphus defiance of the gods as futile and doomed In this mythopoetic novel Phil Cousineau reimagines Sisyphus as telling his own tale through notebooks he kept while enduring his notorious punishment which include surprising revelations about the self sacrifice he made for his fellow Corinthians his bold fight against the injustice of the gods and the unbounded love for his wife and sons that earned him a second chance at life The Lost Notebooks of Sisyphus is a timeless allegory that helps us come to terms with our own daily struggles and shines new light on Camus existential conclusion that We must imagine Sisyphus as happy I am Sisyphus King of Corinth great great grandson of Prometheus great grandson of Deucalion and Pyrrha grandson of Hellen and Orseis son of Aeolus and Enarate husband of Merope father of Glaucus Ornytion Almus and Thersander and grandfather of Bellerophon slayer of the Chimera I am a champion of navigators sailors athletes merchants poets and playwrights and an enemy of tyrants despots bullies ruffians and demagogues I honor the gods and goddesses by building splendid temples holy shrines and sacrificial altars worthy of their glory Many men deep am I as my mentor the deep browed long bearded wise counseling Alexandros of Milos described me What I am not is a scoundrel as scandalmongers have impugned across the centuries while exonerating the cruel gods who condemned me

**Metronome**, 1958 **All I Thought about was Baseball** William Humber, John St. James, 1996 A collection of fictional and factual essays on professional and recreational baseball as played in Canada by professional sportswriters as well as writers not usually associated with sports Contributors reminisce about prairie baseball in the 1930s women's softball Canada's first World Series in 1992 and Inuit baseball Paper edition unseen 24 95 No index Annotation copyright by Book News Inc Portland OR

**The Year of the Blue Snow** Mel Marmer, Bill Nowlin, Clem Comly, James Forr, Russ Lake, Len Levin, 2013-07 Catcher Gus Triandos dubbed the Philadelphia Phillies 1964 season the year of the blue snow a rare thing that happens once in a great while The Phillies were having a spectacular season in which everything was going right They held a 6 1 2 game lead at the conclusion of play on September 20 With just 12 games to play they seemingly had it made But the Cincinnati Reds and St Louis Cardinals never gave up and when the Phillies lost ten consecutive games it became a thrilling pennant race for Cardinals and Reds fans but a horrific collapse for Phillies fanatics But wait a minute When it was seemingly too late the Phillies finally won a game and the first place Cardinals lost two games to the lowly New York Mets so on the last day of the season there was the distinct possibility of a three way tie for first place It would have been a first in baseball history On the final day of the season the Phillies beat the Reds handily 10 0 All eyes and ears were fixed on the Mets Cardinals game Could the Mets knock off the first place Cardinals for a third straight game The Mets carried a 3 2 lead into the bottom of the fifth inning but finally succumbed 11 5 But what a season for Phillies fans Jim Bunning had thrown the first perfect game in the last 84 years of NL history The hero of the 1964 All Star Game was the team's right fielder Johnny Callison who brought the National League victory with the third walk off home run in the history

of the All Star Game The team also boasted the electrifying NL Rookie of the Year the team's slugging third baseman Richie Allen later called Dick Allen St Louis won the pennant and went on to beat the Yankees in the World Series But in Philadelphia the 64 campaign left an ache that lasted for years The 1964 Phillies not only lost the pennant but following 1964 they got steadily worse This book sheds light on the facts for the reader to determine answers to lingering questions they may still have about the Phillies team in the 1964 season but any book about a team is really about the players A collaborative effort by 37 members of the Society for American Baseball Research SABR this work offers life stories of all the players and others managers coaches owners and broadcasters associated with this star crossed team as well as essays of analysis and historical recaps Includes Foreword by Mel Marmer Introduction by Mel Marmer Opening Day 1964 Dick Allen by Rich D Ambrosio Rub n Amaro by Rory Costello The Amaro Chronicles by Rory Costello Two Gold Glove Shortstops by Rory Costello Jack Baldschun by Chip Greene Dave Bennett by Mark Armour Dennis Bennett by Mark Armour John Boozer by Andy Sturgill Johnny Briggs by John Saccoman Jim Bunning by Ralph Berger Johnny Callison by John Rossi Danny Cater by Brian Englehardt Pat Corrales by James Ray Wes Covington by Andy Sturgill Ray Culp by Mark Armour Clay Dalrymple by Rory Costello Ryne Duren by Gregory H Wolf Tony Gonz lez by Jos Ram rez and Rory Costello Dallas Green by Gregory H Wolf John Herrnstein by Brian Englehardt Don Hoak by Jack V Morris Alex Johnson by Mark Armour Johnny Klippstein by Gregory H Wolf Gary Kroll by Neil Poloncarz Bobby Locke by Paul Geisler Art Mahaffey by Ralph Berger and Mel Marmer Cal McLish by Joe Wancha Adolfo Phillips by Rob Neyer Vic Power by Joe Wancha Ed Roebuck by Paul Hirsch Cookie Rojas by Peter Gordon Bobby Shantz by Mel Marmer Costen Shockley by Chip Greene Chris Short by Andy Sturgill Roy Sievers by Gregory H Wolf Morrie Steevens by Len Levin Tony Taylor by Rory Costello and Jos Ram rez Frank Thomas by Bob Hurte Gus Triandos by Neal Poloncarz Bobby Wine by Bob Bloss Rick Wise by Bill Nowlin Gene Mauch by John Vorperian Peanuts Lowrey by Dick Rosen George Myatt by John Green Bob Oldis by Dan Even Al Widmar by Gregory H Wolf Bob Carpenter by James Ray John Quinn by Rory Costello The Origins of the 1964 Phillies by Jim Sweetman How the 1964 Phillies Were Built by Mel Marmer Shibe Park Connie Mack Stadium by James Ray Richie Ashburn by Seamus Kearney Bill Campbell by Curt Smith By Saam by Neal Poloncarz Jim Bunning's Perfect Game by James Ray Johnny Callison's All Star Home Run by Mel Marmer In Defense of Chico Ruiz's Mad Dash by Rory Costello Pennant Was Stolen by Clem Comly Beyond Bunning and Short Rest An Analysis of Managerial Decisions That Led to the Phillies Epic Collapse of 1964 by Bryan Soderholm Difatte Epilogue by Clem Comly

**The South Bend Blue Sox** Jim Sargent,Robert M. tough and competitive as their male counterparts running with abandon diving for catches and sliding fearlessly all while wearing uniforms with short skirts This work examines the history of the league as seen through the eyes of the players and management and the experiences of the South Bend Blue Sox one of only two teams to play in all 12 seasons of the league Although players never saw themselves as revolutionaries these daring heroines helped pave the way toward greater freedom of choice for the generations of women who followed
