When Broadway Went to Hollywood Ethan Mordden, 2016-11-01 When films like *The Jazz Singer* started to integrate synchronized music in the late 1920s many ambitious songwriting pioneers of the Great White Way George and Ira Gershwin Cole Porter Richard Rodgers and Lorenz Hart among many others were enticed westward by Hollywood studios promises of national exposure and top dollar success But what happened when writers native to the business of Broadway ran into the very different business of Hollywood Their movies had their producer despots their stacking of writing teams on a single project their use of five or six songs per story where Broadway fit in a dozen and it seemed as if everyone in Hollywood was uncomfortable with characters bursting into song on the street in your living room or in a cottage small by a waterfall Did the movies give theater writers a chance to expand their art or did mass marketing ruin the musical's quintessential charm Is it possible to trace the history of the musical through both stage and screen manifestations or did Broadway and Hollywood give rise to two wholly irreconcilable art forms And finally did any New York writer or writing team create a film musical as enthralling and timeless as their work for the stage In *When Broadway Went to Hollywood* writer and celebrated steward of musical theatre Ethan Mordden directs his unmistakable wit and whimsy to these challenging questions and more charting the volatile and galvanizing influence of Broadway on Hollywood and vice versa throughout the twentieth century Along the way he takes us behind the scenes of the great Hollywood musicals you've seen and loved *The Wizard of Oz* *Gigi* *The Sound of Music* *Chicago* *West Side Story* *The Music Man* *Grease* as well as some of the outrageous flops you probably haven't The first book to tell the story of how Broadway affected the Hollywood musical *When Broadway Goes to Hollywood* is sure to thrill theatre buffs and movie lovers alike

100 Film Musicals Douglas Pye, Jim Hillier, 2017-10-27 From the coming of sound to the 1960s the musical was central to Hollywood production Exhibiting often in spectacular fashion the remarkable resources of the Hollywood studios musicals came to epitomise the very idea of light entertainment Films like *Top Hat* and *42nd Street* *Meet Me in St Louis* and *On the Town* *Singin' in the Rain* and *Oklahoma* *West Side Story* and *The Sound of Music* were hugely popular yet were commonly regarded by cultural commentators as trivial and escapist It was the 1970s before serious study of the Hollywood musical began to change critical attitudes and foster an interest in musical films produced in other cultures Hollywood musicals have become less common but the genre persists and both academic interest in and fond nostalgia for the musical shows no signs of abating

100 Film Musicals

provides a stimulating overview of the genre's development its major themes and the critical debates it has provoked While centred on the dominant Hollywood tradition 100 Film Musicals includes films from countries that often tried to emulate the Hollywood style like Britain and Germany as well as from very different cultures like India Egypt and Japan Jim Hillier and Douglas Pye also discuss post 1960s films from many different sources which adapt and reflect on the conventions of the genre including recent examples such as Moulin Rouge and High School Musical demonstrating that the genre is still very much alive

Streisand Garrett Stewart, 2022-11-29 A blend of film reading with vocal analysis in appreciation of Barbra Streisand's unmatched contribution to lyric drama on screen At every stage of her career Barbra Streisand's genius finds its fullest measure in screen song first in Emmy winning TV specials then in Hollywood blockbusters from Funny Girl to Funny Lady She goes on as emerging auteur to direct her own musical concepts in A Star Is Born before reconceiving the big screen musical altogether in the writing as well as directing of her own starring role in Yentl A Film with Music In this intensive reading of the actress who sings Garrett Stewart notes the gender and ethnic stereotypes that Streisand shattered as the first openly Jewish superstar while concentrating not just on the cultural difference she made but on the internal differentials of her unholy vocal gift whose kinetic volatility shapes a kind of cinematic terrain all its own Down through her filmed return to the concert stage Stewart elicits the sinuous phonetic text of Streisand's on screen musical delivery in a keenly attentive mode of audition that puts into fresh perspective the indelible aura of her stardom

The 100 Most Influential Entertainers of Stage and Screen Virginia Forte, 2016-07-15 This book presents biographies of 100 of the most influential entertainers of all time It includes the best known actors comedians directors and musicians who have kept audiences tuned in and have constantly pushed the limits of entertainment

Through the Screen Door Thomas S. Hischak, 2004-07-08 This book is about the transition that musicals went through when they traveled from the stage to the screen While the approach is critical the style is readable and yields fascinating knowledge on the many things that did and didn't happen as theatre and film have merged throughout the past century Hischak's analysis covers productions from The Desert Song 1927 to Chicago 2002

Women and New Hollywood Aaron Hunter, Martha Shearer, 2023-05-12 The 1970s has often been hailed as a great moment for American film as a generation of New Hollywood directors like Scorsese Coppola and Altman offered idiosyncratic visions of what movies could be Yet the auteurist discourse hailing these directors as the sole authors of their films has obscured the important creative roles women played in the 1970s American film industry Women and New Hollywood revises our understanding of this important era in American film by examining the contributions that women made not only as directors but also as screenwriters editors actors producers and critics Including essays on film history film texts and the decade's film theory and criticism this collection showcases the rich and varied cinematic products of women's creative labor as well as the considerable barriers they faced It considers both women working within and beyond the Hollywood film industry reconceptualizing New Hollywood by bringing it into dialogue with other American cinemas of the

1970s By valuing the many forms of creative labor involved in film production this collection offers exciting alternatives to the auteurist model and new ways of appreciating the themes and aesthetics of 1970s American film **American Popular Song Composers** Michael Whorf,2014-01-10 In this volume 39 of the legendary composers from Tin Pan Alley Hollywood and Broadway of the 1920s through the 1950s discuss their careers and share the stories of creating many of the most beloved songs in American music Interviewed for radio in the mid 1970s they include such giants as Harold Arlen Eubie Blake Cy Coleman George Duning Sammy Fain Jerry Herman Bronislaw Kaper Henry Mancini David Rose Arthur Schwartz Charles Strouse Jule Styne Jimmie Van Heusen Harry Warren Richard Whiting and Meredith Willson Photographs and rare sheet music reproductions accompany the interviews **Drive-in Dream Girls** Tom Lisanti,2015-05-07 During the 1960s a bushel of B movies were produced and aimed at the predominantly teenage drive in movie audience At first teens couldn't get enough of the bikini clad beauties dancing on the beach or being wooed by Elvis Presley but by 1966 young audiences became more interested in the mini skirted go go boot wearing independent minded gals of spy spoofs hot rod movies and biker flicks Profiled herein are fifty sexy young actresses that teenage girls envied and teenage boys desired including Quinn O'Hara Melody Patterson Hilarie Thompson Donna Loren Pat Priest Meredith MacRae Arlene Martel Cynthia Pepper and Beverly Washburn Some like Sue Ane Langdon Juliet Prowse Marilyn Mason and Carole Wells appeared in major studio productions while others such as Regina Carroll Susan Hart Angelique Pettyjohn and Suzie Kaye were relegated to drive in movies only Each biography contains a complete filmography Some also include the actresses candid comments and anecdotes about their films the people they worked with and their feelings about acting A list of web sites that provide further information is also included **Hammer Complete** Howard Maxford,2019-11-08 Think you know everything there is to know about Hammer Films the fabled Studio that Dripped Blood The lowdown on all the imperishable classics of horror like The Curse of Frankenstein Horror of Dracula and The Devil Rides Out What about the company's less blood curdling back catalog What about the musicals comedies and travelogues the fantasies and historical epics not to mention the pirate adventures This lavishly illustrated encyclopedia covers every Hammer film and television production in thorough detail including budgets shooting schedules publicity and more along with all the actors supporting players writers directors producers composers and technicians Packed with quotes behind the scenes anecdotes credit lists and production specifics this all inclusive reference work is the last word on this cherished cinematic institution *The Films of Barbra Streisand* Christopher Nickens,Karen Swenson,2000 A celebration of Streisand's complete career to date this book features hundreds of photographs many never before published which cover the most recent films as well as the filmed version of her free concert in Central Park **Leonard Maltin's 2009 Movie Guide** Leonard Maltin,Luke Sader,Mike Clark,2008 Offers readers a comprehensive reference to the world of film including more than ten thousand DVD titles along with information on performers ratings running times plots and helpful features
