The Control of Local Conflict: Case Studies: Middle East and North African case studies ,1969 Transactions of the Royal Society of Literature of the United Kingdom ,1827 **For Once** Tim Price,2011-07-08 In a place where everyone knows your name you can t forget who you are Life love and loss in a picture postcard town is laid bare in this heart breaking but darkly comic new play Through a series of interweaving accounts For Once cuts to the heart of a family and a community turned upside down by unimaginable tragedy For Once examines the fallout after a car crash on a country lane takes the life of two local teenagers through three interlaced monologues by their surviving friend Sid and his parents April and Gordon exposing the pre existing faultlines in the family Sid has been left partially sighted by the crash and his account of his life before and since the accident gives an insight into why young people living in what seems like ideal communities are driven to seek thrills elsewhere sometimes with horrifying consequences However far from being depressing Tim Price s skill at capturing the revealing inarticulacy of the teenager as well as his troubled parents makes for unexpected humour For Once is a powerful and incisive look at life and death in a small market town and premiered on 8 July 2011 at the Hampstead Theatre in a production by Pentabus Theatre Transactions of the Royal Society of Literature of the United Kingdom Royal Society of Literature (Great Britain),1910 Furies and Fireflies over Korea Graham A. Thomas,2008-07-15 The historian and author details the exploits of British and Australian pilots during the Korean War With the outbreak of the Korean War the UN Security Council called on its members to act and 16 nations did with Britain sending aircraft carriers such as HMS Triumph from which piston engined Sea Fury fighters and Fairey Firefly fighter bombers operated This is the story of the British and Australian Fleet Air Arm pilots and their missions over hostile territory missions carried out with distinction and honor The United Kingdom Goldwin Smith,1899 The Twilight of Atheism Alister McGrath,2007-12-18 In this bold and provocative new book the author of *In the Beginning* and *The Reenchantment of Nature* challenges the widely held assumption that the world is becoming more secular and

demonstrates why atheism cannot provide the moral and intellectual guidance essential for coping with the complexities of modern life. Atheism is one of the most important movements in modern Western culture. For the last two hundred years it seemed to be on the verge of eliminating religion as an outmoded and dangerous superstition. Recent years however have witnessed the decline of disbelief and a rise in religious devotion throughout the world. In *THE TWILIGHT OF ATHEISM* the distinguished historian and theologian Alister McGrath examines what went wrong with the atheist dream and explains why religion and faith are destined to play a central role in the twenty first century. A former atheist who is now one of Christianity's foremost scholars, McGrath traces the history of atheism from its emergence in eighteenth century Europe as a revolutionary worldview that offered liberation from the rigidity of traditional religion and the oppression of tyrannical monarchs to its golden age in the first half of the twentieth century. Blending thoughtful authoritative historical analysis with incisive portraits of such leading and influential atheists as Sigmund Freud and Richard Dawkins, McGrath exposes the flaws at the heart of atheism and argues that the renewal of faith is a natural inevitable and necessary response to its failures. *THE TWILIGHT OF ATHEISM* will unsettle believers and nonbelievers alike. A powerful rebuttal of the philosophy that for better and for worse has exerted tremendous influence on Western history, it carries major implications for the future of both religion and unbelief in our society.

[The Partition of India](#) Kate Shoup, 2018-07-15

From 1858 to 1947 the British ruled India. In the aftermath of World War II, Britain agreed not just to grant India's independence but to carve from India a separate country, Pakistan, for its Muslim population. This partition sparked one of the largest mass migrations in history. It also sparked terrible violence, particularly along the new border. Indeed, historians estimate that between 250,000 and 500,000 people were killed in the conflict. This necessary book tells the story of India's partition and of the people affected by it.
