Farmer, James McCarty, 2025-04-29 There has been perhaps no political issue in contemporary America able to garner as widespread agreement as the need to end our system of mass incarceration. Racial justice advocates, fiscal conservatives, prison abolitionists, and more believe that America incarcerates far too many of its people. This book provides tools for Christians seeking to understand this massive social injustice, its theological and historical origins, and faithful ways of resisting and ending this system. **The Business of Incarceration** places the political economic system that is the prison industrial complex at the center of the story; it tells the analysis it provides and the engagement it recommends. The second volume in **The Business of Modern Life** series, this book extends the groundbreaking theological and ethical analysis in **The Business of War: Theological and Ethical Reflections on the Military Industrial Complex** to another social sphere that is supposedly oriented to the common good but is now dominated by logics of market and profit making. **Biblical Illustrator, Volume 3** Exell, Joseph S., Would you like it if one of the greatest preachers could help you prepare your sermons? How about 20 ministers to assist you with your sermon? Joseph Exell included content from some of the most famous preachers such as Dwight L. Moody, Charles Spurgeon, J. C. Ryle, Charles Hodge, Alexander MacLaren, Adam Clarke, Matthew Henry, and many more. He compiled this 56-volume **Biblical Illustrator Commentary**, and Delmarva Publications Inc. is publishing it in a 6-volume digital set with a linked table of contents for ease of studying. This set includes the analysis on the entire Bible, Old and New Testament. Complete your resources with this **Biblical Illustrator** by Joseph Exell. **Beyond the Horizon** Harry A.
