More Than Just a Life Steve Little, 2010 How great it was to have been able to read your writing Touching sensitive emotional thoughtful immensely moving personal enthralling gripping sad pathetic ghastly in its detail critical of the awfulness of the establishment a tremendous insight into a mind disturbed

Howard Swan Wilson was on the verge of a professional sporting career when World War 1 started Eventually he was sent to the Front under trained and ill equipped There he experienced the horrors and deprivations of trench warfare Unable to cope he had a breakdown and ran away Whilst being nursed back to health by a young French widow he is recaptured and during an eventful journey back to Belgium for his Court Martial he forms a friendship with his captor This was to have great significance in the future The dramatic events before during and after the Court Martial provide a gripping finale

In *More Than Just A Life* the author weaves a dramatic story that deals with the highly emotive aspect of the ordeal of the ordinary soldier the wanton loss of young lives and the harsh discipline of the Army 50% of any profits from sales will be donated to the Royal Marsden Hospital in recognition of the treatment for the author's wife when she had cancer

AH from Devon A very sad story and the graphic pictures you painted of warfare in the trenches if ever filmed would make *Saving Private Ryan* seem tame by comparison Well done Mr Cheesman from Surrey Nine out of ten I like the twist in the tail When will the sequel be available

Mr N Russell one of those that you couldn't put down thoroughly enjoyed it
