

The background of the slide is a dark, futuristic scene. On the left, a piece of medical equipment with a circular display showing a red heart icon is visible. In the center, a glowing, translucent blue rectangular screen displays a 3D anatomical model of a human heart. The heart is pinkish-red and is overlaid with a white grid and a white ECG (heart rate) line. To the right of the screen, there are some blurred, vertical elements that look like test tubes or lab equipment. The overall lighting is dim with blue and red highlights.
