Future Of Prophetic Christianity:

Prophecy in the New Millennium John F. Walvoord, An up to date look at unfulfilled Bible prophecy and current events written by one of America s most recognized end times experts

What the Bible Says about Your Future John F. Walvoord,2017-04-01 For readers of Tim LaHaye and John Hagee comes a thoughtful exploration of what happens in eternity Relying on key biblical prophecies renowned scholar Dr John F Walvoord explains what the Bible teaches about heaven and hell how life on earth affects life in heaven why God gives both judgment and grace and how Christians can find comfort amid earthly suffering What the Bible Says About Your Future opens a door for God to speak to readers hearts and minds about their heavenly future Here they will find hope in knowing that God cares deeply about them now and forever

The Bible and the Future Anthony A. Hoekema,1994-09-06 Writing from the perspective that the coming of God s kingdom is both present and future Hoekema covers the full range of eschatological topics in this comprehensive biblical exposition The two major sections of the book deal with inaugurated eschatology the already and future eschatology the not yet Detailed appendix bibliography and indexes

Prophecy Now Jason,2012-09-12 The first part of this book deals with prophetic predictions regarding what is about to happen Its an overview of some of Gods agenda and an insight into His personality The second part of this book shows ways in which we can change the future with our actions There is hope for the future if we take action now

The Future According to Bible Prophecy Paul S. Horvath,2019-02-22 This book will give the reader a much better understanding of what God has planned for this world s future Prior to Tribulation the Church the believers in Jesus Christ will be caught up raptured and will meet the Lord in the air Much of what is written in numerous books of the Bible that deal with prophecy is written in symbolic language often making it difficult to understand One purpose of this book is to reveal and explain to the reader what is meant by those symbols thereby giving the reader a glimpse and a better understanding of what the future holds Additionally when dealing with a specific subject such as an event that was prophesied in the book of Revelation often that subject is covered in other verses of that book and or in other books within the Bible The comparing of scripture with scripture supports sheds light explains and or reinforces our understanding of that particular passage Following the Tribulation is the Millennium the one thousand year reign with Christ

Your Future Jack Van Impe,1989

Future Hope David Brickner,1999 The timely topic of today is the future For many the outlook is gloomy But according to David Brickner Executive Director of Jews for Jesus Christians can offer a message of a future and a hope Future Hope Takes a look at biblical prophecies and offers insight into God s prophetic timeline The book s easy to read format helpful charts and appendices and evangelistic bent make it appropriate for the scholar the new believer and the seeker

Christian Prophecy Niels Christian Hvidt,2007-04-19 Throughout the Hebrew Bible God guides and saves his people through the words of his prophets When the prophets are silenced the people easily lose their way What happened after the incarnation death and resurrection of Christ Did God fall silent The dominant position in Christian theology is that

prophecy did indeed cease at some point in the past if not with the Old Testament prophets then with John the Baptist with Jesus with the last apostle or with the closure of the canon of the New Testament Nevertheless throughout the history of Christianity there have always been acclaimed saints and mystics most of them women who displayed prophetic traits In recent years the charismatic revival in both Protestant and Catholic circles has once again raised the question of the place and function of prophecy in Christianity Scholarly theological attitudes toward Christian prophecy range from modest recognition to contempt Mainstream systematic theology both Protestant and Catholic has mostly marginalized or ignored the gift of prophecy In this book however Niels Christian Hvidt argues that prophecy has persisted in Christianity as an inherent and continuous feature in the life of the church Prophecy never died he argues but rather proved its dynamism by mutating to meet new historical conditions He presents a comprehensive history of prophecy from ancient Israel to the present and closely examines the development of the theological discourse that surrounds it Throughout though there is always an awareness of the critical discernment required when evaluating the charism of prophecy The debate about prophecy Hvidt shows leads to some profound insights about the very nature of Christianity and the church For example some have argued that Christianity is a perfect state and that all that is required for salvation is acceptance of its doctrines Others have emphasized how God continues to intervene and guide his people onto the right path as the full implementation of God's salvation in Christ is still far away This is the position that Hvidt forcefully and persuasively defends and develops in this ambitious and important work The Future of Prophetic Christianity Denise Lardner Carmody, John Carmody, 1993

A Concise Guide to Bible Prophecy Stan Guthrie, 2013-07-01 A glance at tabloid headlines reveals that we have an almost insatiable desire to see into the future In our search to know what is to come many turn to the Bible for answers Both the Old and the New Testament are loaded with prophets and prophecies Who were these people who supposedly could predict the future Have their prophecies come true Now readers can get to the bottom of 60 crucial Bible prophecies quickly and easily with A Concise Guide to Bible Prophecy This accessible handbook will help readers understand prophecies within their biblical context and avoid common misinterpretations Author Stan Guthrie explains what each prophecy meant to those who first received it summarizes what it means for us today and provides verses or passages for further individual or group study

To Follow the Lamb Ted Grimsrud, 2022-03-31 For many the book of Revelation seems hopelessly hard to interpret It gives the impression of being full of frightening and confusing visions However To Follow the Lamb A Peaceable Reading of the Book of Revelation shows that Revelation actually is fascinating inspiring and empowering The key to reading Revelation is simple Let s take seriously the opening words of the book that tell us it is a revelation of Jesus Christ Let s expect Revelation to help us understand Jesus and his will for us We may expect that Revelation shares the same basic sensibility that we find in the Gospels and the rest of the New Testament Revelation is an exhortation to discipleship follow the Lamb wherever he goes It offers a sharp critique of the world s empires and of how people of faith find ways to be comfortable within the empires Revelation portrays God as merciful and peaceable but engaged in a battle against the spiritual powers of evil as fought with the weapons of love not worldly violent weapons To Follow the Lamb opens up Revelation s blueprint for faithful living Resistance to the empires and embrace of the compassionate and healing love of the Lamb
