

Tenth Edition

An artistic illustration of a human face, possibly a woman, with a contemplative or distressed expression. The face is rendered in a painterly style with soft, blended colors. Several pieces of translucent, off-white tape are applied to the face, covering the forehead, the bridge of the nose, and the mouth. A small, vibrant red butterfly is perched on the forehead, and a larger orange and black butterfly is near the chin. The background is a textured, mottled green, suggesting foliage or a natural setting. The overall mood is one of psychological complexity and vulnerability.
