Mediation John Michael Haynes, Gretchen L. Haynes, Larry Sun Fong, 2012-02-01 This mediation how to manual brings together the collective wisdom of two of the field s most renowned founders John Michael Haynes and Larry Sun Fong The book not only covers a range of mediation cases but also uniquely provides feedback from the clients as they reflect on the sessions and report on what worked best for them Beginning with a review of the theoretical underpinnings of the Haynes model of mediation the book then presents six case studies with each demonstrating one or more of the organizing principles of mediation The sessions examined reflect the different mediation areas currently being practiced business employment neighborhood adoption education and family The book goes beyond simply reporting what mediators experience as it shares the insights and motivations of Fong and Haynes This well rounded approach includes the exploration of the clients thoughts helping readers to incorporate successful organizing principles into their own mediation practices

Alternative Dispute Resolution John M. Haynes, 1993 Family Mediation Howard H. Irving, 2002-10-01 It is important to understand that when a marriage is over it is not the time for retribution and revenge but rather the opportunity to strike out for a new life while providing for and protecting the children This book the first comprehensive treatment of family mediation for Chinese families provides the knowledge and skills to achieve that objectives Throughout the book the author discusses practical techniques for resolving family conflicts and creating parenting plans The model described enables mediators who may be social work psychology or legal professionals to negotiate the issues in dispute so as to arrive at a settlement that is mutually acceptable and is fair and equitable to the families Divorcing couples should also read the book because it will help them with ideas and principles leading towards amicable solutions

Family Mediation in Ireland

Sinéad Conneely, 2017-11-22 This title was first published in 2002 After outlining the origins and development of family mediation on a world wide basis this book assesses family mediation services in the Republic of Ireland and Northern Ireland within the context of the empirical and theoretical debates surrounding the practice It is the first comprehensive study of the area in Ireland appearing at an opportune time due to the expansion of the service in the Republic and its virtual collapse in Northern Ireland It argues that the service provided in the Republic of Ireland is appreciated by clients and is successful although the issue of domestic violence remains In contrast it suggests that the absence of service provision in Northern Ireland is problematic since it undermines consumer choice

The Models and Techniques Used in Family Mediation in England and Wales Dr Amel Ketani, 2022-03-03. Over the past forty years the approach to legal disputes in England and Wales has experienced some important changes. In many instances mediation with its objective of resolving disputes is favoured over the traditional and adversarial procedure of litigation. Intriguingly the perspectives of mediators on the practice of family mediation are relatively unexplored territory. This book with its focus on family mediation seeks to reduce this gap by supplementing the existing literature. It will put forward the family mediators opinions and my recommendations on how family mediation can be improved from the perspective of models. It aims to contribute through the practitioners lens to some

of the important theoretical issues discussions and difficulties surrounding family mediation In addition the aim of this book is to set out the understanding of family mediators and draw on this to explore important themes such as mediation models their principles and the nature of the task The analysis of these themes will reveal many things from the difficulties and demanding tasks in family mediation to the satisfaction and reward that can be felt by family mediators who achieve the parties objective of amicably resolving a family dispute This book brings clarity and offers new contributions to the field of family mediation and dispute resolution a must read for practitioners academics and professionals working in the field Dr Sara Hourani Senior Law Lecturer at Middlesex University This is a very practical guide by a specialist who clearly understands the important role that different mediation techniques play in legal practice today This guide combines both an academic analysis with some practical tools that are especially useful to practitioners in the field of Family Law The guide considers the merits and in some cases drawbacks of different mediation models and offers a helpful perspective on conditions that need to be met which would improve the efficacy of mediation This is a highly recommended resource for academics teachers and practitioners alike Ms Marie Iskander Solicitor New South Wales Australia
