

Tenth Edition

The background of the cover is a complex, layered artwork. It features several faces, some of which are partially obscured by translucent, torn-paper-like rectangles. A prominent face in the center has its eyes closed. Above it, another face is visible, and to the right, a third face is shown in profile. The composition is interspersed with various elements: a blue butterfly near the top left, a red flower-like shape, and a yellow and orange butterfly near the bottom right. Faint, hand-drawn geometric lines, including squares and circles, are scattered across the greenish-yellow background. The overall style is painterly and surreal.
