## **Fundamentals Of Our Faith:**

*Fundamentals of Our Faith* Herschel H. Hobbs, 1960-01-13 An introduction to the fundamental doctrines of the Christian faith Written for anyone and everyone who wants a better understanding of their beliefs or a reference guide to check back when you have questions      **The Fundamentals of the Christian Faith** Steve Urick, 2009-09-21 In our busy society many Christians find it hard to take the time to read and understand larger systematic theology and apologetic defense of the faith books *The Fundamentals of the Christian Faith* gives a clear and concise explanation of several essential Bible doctrines to help ground believers in the Christian faith and equip them with practical knowledge in basic apologetics This book is the result of many years of Bible study evangelistic work and apologetic research and debate It will help to prepare anyone who wants to do the work of evangelism make disciples of Christ and refute many false teachings that exist in our world today

Fundamentals of the Faith Bryan D. Scott, 2015-10-26 A must read for new and old believers alike Far too often Christians lack discipleship and the basics of the faith that we as believers so strongly need This work takes the reader through the basics of the Christian faith From the Word itself through the Trinity persons of the Godhead gifts and fruits of the Holy Spirit then on to Spiritual Warfare and culminating in our place as believers in the kingdom of God Developed initially as a small group bible study the book can be used for individual study and growth a small group or a source for extended teaching on the fundamentals of our faith      *Baptist Theology* James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal      **The Fundamentals of Our Faith** Göran Beijer, Erik Petré, 2001      **Faith's Fundamentals** Jack Cottrell, 2002-06-11 Academic questions Not according to Jack Cottrell He believes our answers to

questions like these decide whether we ll win against Satan s battle for our mind and soul How should you answer these questions What do you know about the essentials of Christian faith In a world that says truth doesn t matter discover what God says about these basics In a culture that emphasizes feelings over facts consider what God says you must believe and why Seven readable chapters explain foundational principles in language everyone can understand The book is perfect for groups as well as for your own individual study      **Fundamentals of Our Faith** Thomas E. McCullough, Kay Deakins Aldridge, Mildred Blankenship, Southern Baptist Convention. Sunday School Board, 1968 You may ask What do we Baptists believe This is a hard question to answer No one person can speak for all Baptists To believe about Christ with one s mind is one thing To believe in Christ as Saviour is another thing The first belief has to do with doctrine Doctrine is teachings about Christ Believing in Christ as Saviour has to do with Christian faith In the lessons which follow this difference should be kept in mind Introduction      *The Fundamental Doctrines of the Christian Faith* Reuben Archer Torrey, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1918 edition Excerpt VI The Personality Of The Holy Spirit The Communion of the Holy Ghost 2 Cor 13 14 OUR subject this morning is The Personality of the Holy Spirit No series of sermons upon the Fundamentals of our Christian faith would be complete without a sermon on the Personality and Deity of the Holy Spirit The doctrine of the Personality of the Holy Spirit is both fundamental and vital Any one who does not know the Holy Spirit as a person has not attained to a complete and well rounded Christian experience Any one who knows God the Father and God the Son but who does not know God the Holy Spirit has not attained unto the Christian conception of God nor to a fully Christian experience It may seem to you at first thought as if the doctrine of the Personality of the Holy Spirit were a purely technical and apparently impractical doctrine but it is not so As we shall see shortly the doctrine of the Personality of the Holy Spirit is a doctrine of the very first practical importance I THE IMPORTANCE OF THE DOCTRINE OF THE PERSONALITY OF THE HOLY SPIRIT 1 The Doctrine of the Personality of the Holy Spirit is of the highest importance from the standpoint of worship If the Holy Spirit is a person and a Divine Person and He is and if we do not know Him as such if we think of the Holy Spirit only as an impersonal influence or power then we are robbing a Divine Person of the worship which is His due and the love which is His due and the confidence and surrender and obedience which are His due And may I stop at this point to ask each one of you Do you worship the Holy Spirit Theoretically we all do every time we sing the long metre Doxology Praise God from whom all blessings flow Praise Him all creatures here below Praise Him      *Fundamentals of the Faith* Peter Kreeft, 1988 A collection of essays in which Peter Kreeft examines the fundamental elements of Christianity and Catholicism and their relation to everyday life      *Fundamentals of Our Faith ; Bible Truths for Today* Arthur H. Criscoe, 1979\*      **The Handbook of Bible Application** Tyndale, 2020-07-07 How does prayer work What does the Bible really say about money Does the Bible have anything to say about friendship You ll find answers to these questions and many
