P. Blavatsky,2017-10-21 Published in 1889 The Key to Theosophy is as its subtitle declares a Clear Exposition in the Form of Question and Answer of the Ethics Science and Philosophy for the Study of which The Theosophical Society has been Founded In it Blavatsky traces Wisdom Religion spiritualistic teachings the true nature of the Spiritualistic phenomena as well as the other fundamentals of Theosophy The book includes a comprehensive glossary of theosophical terminology *A Guidebook to Religious and Spiritual Practices for People Who Work with People* Nancy K. Grant,Diana J. Mansell,2008-10-22 This book contains a description of a variety of religions the title of the religious leader days held sacred beliefs related to health and illness their customs and practices death and dying beliefs related to medical practices beliefs related to reproduction and possible implications related to health care A book such as this is valuable given the multicultural context in which we all live and work *First Principles of Theosophy* Curuppumullagē Jinarājadāsa,1928 **The Theosophical Path** Katherine Augusta Westcott Tingley,1920

Rudolf Steiner in Britain Crispian Villeneuve,2009-09-14 Rudolf Steiner spent some five months of his life in Britain visiting there ten times between 1902 and 1924 With the exception of German speaking countries the longest time Steiner spent abroad was in Britain a place he clearly considered central to his work In this extraordinary thorough study of more than 1 200 pages and dozens of illustrations Crispian Villeneuve documents those important visits reproducing letters articles records and other archival material much of it published for the first time He also studies the interconnected theme of the life and work of D N Dunlop Rudolf Steiner s closest British colleague *First Principles of Theosophy* Curuppumullagē Jinarājadāsa,1922 **The Blavatsky Effect** Ulrich R. Rohmer,2014-02-13 This book is a collection of many different texts approaching the phenomenon Blavatsky and her influence on how Western world is dealing with God and Jesus There is of course a huge ocean of manifold perceptions throughout space and time and humans had always a tendency to change the way of perception and thinking compared to their ancestors A human has no other chance after having been thrown into this world than studying a great deal of texts and witnesses in order to find plausible reason at least for himself or herself to find answers on what is real and what is truth Thousand nine hundred years ago Epictetus wrote his famous meaning Men are disturbed not by things but by the views which they take of things Enchiridion 5 Dogma comes from and this means nothing else than view or opinion a quite human and at least harmless business coming from language alone But humans have transformed both view and opinion into a sharp sword able to harm or even kill those being considered dissenters That way dogmatism became a synonym for bad taste and constriction Madame Blavatsky was against church dogmatism and finally got trapped in her own dogma based ideology called theosophy and the whole complex has indeed

changed the world At that the story is not over yet Those texts I provided consist of freely available material found at different pages and they will challenge you to listen carefully to your own flow of thoughts and feelings No one is supposed to either love or hate Madame Blavatsky and her work but rather finding a kind of understanding giving you comfort to live according your mental intellectual and soul perception of God and Jesus Maybe you will discover the value of the New Testament text 27 books as usual anew even without being really able to name such process correctly Blavatsky has opened a door which is now wide open and it can't get shut again by merciless apologetics Some see Satan raging in this world blaming Madame others perceive new spiritual possibilities as well as frontiers See for yourself and have a little patience Even Blavatsky is not bigger than God who will surely not leave those alone who wish to be grounded in love truth and humble kindness as the New Testament Jesus reveals
