Funny Thing:

The Funny Thing Wanda Gág,1929 The Funny Thing is an animal who eats nothing but dolls until the good little man of the mountains gets him to taste the jum jills **A Funny Thing Happened on the Way to the New Yorker* Roy Delgado,2007-12-03

A Funny Thing Happened B. E. White, Jr.,2014-08-29 The humorous stories that Dr White tells about in this book are all about people in and out of the church and the ups and downs of life in the parsonage Funny things can happen at church and the behavior of some religious people can make you laugh and laugh Behind the humor in this book is often a spiritual truth But this is more than a religious book It is about changing times in North Carolina for three quarters of a century Dr White keeps telling about things he has learned during this time or maybe he is subtly teaching his readers to learn with him what religion is really all about The people in the stories may seem like someone you know in your own church or family The comical stories will entertain you while you ponder their meaning The more serious ones may touch you deeply

Many More Funny Things B. E. White, Jr.,2014-08-29 After his first book Dr White thought that he had exhausted his memory of funny things in his life and ministry but with the passing of time he has remembered many more funny things He has written them down to make us laugh out loud and silently reflect on what they have to say Brightie White tells amusing and interesting story after story about people in and out of the church You may have a hard time believing that some of the stories are true but if you can't believe a preacher whom can you believe Most of the stories are humorous but some of them are unusual All are about real people and the way religion makes them act Lessons can be learned from their antics and how things used to be and sometimes still are during the years of the author's life

Some of the Funniest Things Happen in the Most Unlikely and Unexpected Places Glenn Martin,2005-03 This collection of stories was written for only one purpose to make you laugh These stories are not aimed at your mind but at your funny bone They are not supposed to make you smarter or wiser but might keep you from taking yourself and life too seriously When enjoying these stories you may venture into restaurants or churches attend weddings or funerals and spend some time in the Army And you may meet people who did not intend to be funny but did funny things These stories should put a smile on your face and a chuckle in your voice And if you laugh out loud that would be okay too Laughter is not only good for your health but it also does wonders for your spirit and your soul

It's a Funny Thing, Humour British Psychological Society. Welsh Branch,1977

delight that comes from laughing out loud while watching a hilarious movie or a TV show Yet as funny as these lines may be they are the work of people you will never see The magic behind any comedy hit begins when an idea is hatched in the mind of a comedy writer and is then put down on paper And while few of us are privy to this fascinating process for writers Peter Desberg and Jeffrey Davis the challenge of observing and understanding how comedy is born has culminated in a unique new book *Now That s Funny* Desberg and Davis provide an intimate look into the minds of twenty four of Hollywood s funniest comedy writers who have given us such shows as Saturday Night Live Monk Everybody Loves Raymond The Simpsons Frasier Maude Home Improvement Valerie Modern Family Cheers There s Something about Mary The Honeymooners Suddenly Susan Newhart Sabrina the Teenage Witch Archie Bunker s Place The Tracey Ullman Show Wings Who s The Boss and more How do you get to see the creative wheels turn The authors premise was simple Using a Q and A format they provided each writer with a story idea and let them run with it Each of the writers was told there were no rules no boundaries and no limits Because everyone started with the same concept the authors could see how some writers jumped in and began creating while others asked lots of questions how some writers stuck closely to the premise while others turned it on its head What emerges is an entertaining look illuminating and hilarious in turn at the creative process behind hit TV shows and movies If you re one of the millions who have enjoyed watching the work of comedy writers here is an opportunity to go behind the scenes and see the madness unfold *Now that s funny* **Moose and Violet Knock Things Down #1**

Frayn Plays: 1 Michael Frayn,2017-01-12 One of theatre s subtlest most sophisticated minds The Times Alphabetical Order A comic essay about two types of woman a very intelligent comedy because of its classic simplicity and unusual in the way that the two types of women do not become stereotypes Daily Telegraph Donkeys Years a satire on the establishment and British Institutions Gorgeous farce all the funnier for emerging from credible aspirations and natural anxieties the play is richer and cannier than we expect farces to be New Statesman Clouds is a satire on government sponsored trips and a portrait of sexual jealousy it is poignantly and unerringly funny Guardian Make and Break is a satirical commentary on British corporate interests abroad Full of pain ruthless observation and a sense of humour which is sardonic lunatic and warm Sunday Times Noises Off the West End hit play about a company of actors stepping from a sex farce into their own nightmarish lives backstage A very intelligent joke about the fragility of all forms of drama a pulverisingly funny play Guardian All of these plays are attempts to show something of the world not to change it or to promote any particular idea of it That s not to say there are no ideas in them In fact what they are all about in one way or another is the way in which we impose our ideas upon the world around us it might be objected that one single theme is a somewhat sparse provision to sustain five separate and dissimilar plays I can only say that it is a theme which has occupied philosophers for over two thousand years and one which is likely to occupy them for at least two thousand more Michael Frayn
