## **Fury Within:**

Fury's Hour Warren Kinsella, 2011-07-27 No holds barred political strategist Warren Kinsella's colourful no holds barred look at punk rock and how it influenced him and millions of other kids to strive for nothing less than changing the world. Playing bass for Calgary punk rock quartet the Hot Nasties might seem a strange way for one of Canada's top political strategists to have spent his formative years but in *Fury's Hour* Warren Kinsella's exploration of punk's history and heroes its factions failures and triumphs he shares his unique view into a subculture that has long encouraged people to think big about the world. From early meetings with icons Joey Ramone and Joe Strummer Kinsella has gone on to interview a who's who of punk Sex Pistols Johnny Rotten and Glen Matlock Fugazi's Ian MacKaye Billy Idol DOA's Joey Shithead Keithly Bad Religion's Brett Gurewitz Blink 182 Good Charlotte and many more. Since he was a teenager Kinsella has challenged his heroes to put into words the true value of the music. How after decades of co-optation by the record industry neo Nazis and misdirected radicals are new generations continuing what he calls punk's search for the real. In *Fury's Hour* with the iconoclasm and passion that have marked his career in politics Warren Kinsella searches for the soul of a sound that invigorated the way he and millions of others have grown up finding a way to turn anger into energy. **The War Within** Daniel Joseph

Singal, 2014-02-01 The years after World War I saw a different sort of war in the American South as Modernism began to contest the New South Creed for the allegiance of Southern intellectuals. In *The War Within* Daniel Joseph Singal examines the struggle between the characteristic culture of twentieth century America and the South's tenacious blend of Victorianism and the Cavalier myth. He explores the lives and works of historians Ulrich B. Phillips and Broadus Mitchell novelists Ellen Glasgow William Faulkner and Robert Penn Warren publisher William T. Couch sociologists Howard Odum Rupert Vance Guy Johnson and Arthur Raper and Agrarian poets John Crowe Ransom Donald Davidson and Allen Tate. The drama Singal unfolds is as much national as regional in its implications. His sophisticated and original analysis of the complex relationship between these southern writers and their heritage enables him to trace the transition to Modernism with unusual clarity and to address questions of major importance in American intellectual history. How did Modernism come into being? Does it display a fundamental underlying pattern? What are its essential values beliefs and assumptions? Singal marshals archival and published sources and combines them with oral history interviews to trace this process of change on the levels of both formal thought and individual experience. He uses the interwar South as the locale for a pioneering examination of the momentous change that has affected all of Western culture. **Studies in Indian English Fiction and Poetry** Amar Nath Prasad, U.
