

Future Interests

59

TOR 15 FUTURE INTERESTS

Wizard conveys Emerald City, his fee simple estate, "to Dorothy and her heirs as long as the buildings on the property are maintained." Can Wizard have a reversion in Emerald City?

No, he only has a possibility of reverter, because he conveyed a fee simple determinable to Dorothy. As long as she and her heirs maintain the Emerald City buildings her estate will endure.

NOTE: It is possible to retain a reversion *and* a possibility of reverter. Say Wizard had conveyed "to Dorothy for her life, as long as she maintains the buildings." Here, Wizard has both a reversion and a possibility of reverter, since Wizard (or his heirs or assigns) will get Emerald City back when Dorothy dies — that's the reversion. But he may get it back sooner, if Dorothy fails to maintain the buildings. That's the possibility of reverter. B&H Ch. 3 §3, p. 58-59.
