Edith Wharton's *The Age of Innocence*:

The Age of Innocence Edith Wharton, 1996-03-01 Edith Wharton's acclaimed novel of love, duty, and half-known truths in Gilded Age New York society with a foreword by bestselling author Elif Batuman. Dutiful Newland Archer, an eligible young man from New York high society, is about to announce his engagement to May Welland, a suitable match from a good family, when May's cousin, the beautiful and exotic Countess Ellen Olenska, is introduced into their circle. The Countess brings with her an aura of European sophistication and a hint of perceived scandal, having left her husband and claimed her independence. Her worldliness, disregard for society's rules, and air of unapproachability attract the sensitive Newland, despite his enthusiasm about a marriage to May and the societal advantages it would bring. Almost against their will, Newland and Ellen develop a passionate bond, and a classic love triangle takes shape as the three young people find themselves drawn into a poignant and bitter conflict between love and duty. Written in 1920, Edith Wharton's Pulitzer Prize-winning novel about a time and place long gone by, 1870s New York City, beautifully captures the complexities of passion, independence, and fulfillment, and how painfully hard it can be for individuals to truly see one another and their place in the world. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Age of Innocence Edith Wharton, 2016-08-09 Winner of the 1921 Pulitzer Prize for fiction and the basis of the sumptuous 1993 Martin Scorsese movie, Edith Wharton's *The Age of Innocence* shows no sign of losing popularity as each new generation embraces this devastating tale of love and loss set among the upper classes in 1870s New York. The story centers on a couple's impending marriage and the introduction of a woman plagued by scandal whose presence threatens their happiness. Newland Archer, the story's protagonist, is a young, popular, successful lawyer living with his mother and sister in an elegant New York City house. Since childhood, his life has been shaped by the customs and expectations of upper-class New York City society. His engagement to May Welland is one in a string of accomplishments. At the story's start, he is proud and content to dream about a traditional marriage in which he will be the husband-teacher and she the wife-student. His life changes when he meets Countess Ellen Olenska. Through his relationship with her, first friendship, then love, he begins questioning the values on which he was raised.

The Age of Innocence Edith Wharton, 2014-06-28 *The Age of Innocence* centers on an upper-class couple's impending marriage and the introduction of a woman plagued by scandal whose presence threatens their happiness. Though the novel questions the assumptions and morals of 1870s New York society, it never devolves into an outright condemnation of the institution. In fact, Wharton considered this novel an apology for her earlier novel *The House of Mirth*, which was more brutal and critical.

His match with May no longer seems the ideal fate he had imagined. Ellen's decision to divorce Count Olenski causes a social crisis for the other members of her family, who are terrified of scandal and disgrace. Living apart can be tolerated, but divorce is unacceptable. To save the Welland family's reputation, a law partner of Newland asks him to dissuade Countess Olenska from going through with the divorce. He succeeds, but in the process comes to care for her. Afraid of falling in love with Ellen, Newland begs May to accelerate their wedding date, but she refuses. Newland tells Ellen he loves her. Ellen corresponds but is horrified that their love will aggrieve May. She agrees to remain in America, separated but still married to Count Olenski, only if they do not sexually consummate their love. Newland receives May's telegram agreeing to wed sooner. Newland and May marry. He tries unsuccessfully to forget Ellen. His society marriage is mediocre, and the social life he once found absorbing has become empty and joyless. Though Ellen lives in Washington and has remained distant, he is unable to cease loving her. Their paths cross while he and May are in Newport, Rhode Island. Newland discovers that Count Olenski wishes Ellen to return to him, but she has refused, although her family wants her to reconcile with her husband and return to Europe. Frustrated by her independence, the family has cut off her money, as the count had already done. Newland desperately seeks a way to leave May and be with Ellen, obsessed with how to finally possess her. Despairing of ever making Ellen his wife, he urges her to become his mistress. Then Ellen is recalled to New York City to care for her sick grandmother, who accepts her decision to remain separated and agrees to reinstate her allowance.

Newland Archer, the ambivalent protagonist, represents the apogee of good breeding. He is the ultimate insider in post-Civil War New York society. Although engaged to May Welland, a beautiful and proper fellow member of elite society, he is attracted to the free-spirited Countess Ellen Olenska, May's cousin and a former member of their circle who has been living in Europe but has left her husband, a cruel Polish nobleman, under mysterious circumstances and returned to her family's New York milieu. His upcoming marriage to the young socialite will unite two of New York's oldest families, but from the novel's opening pages, Olenska imports a passionate intensity and mysterious Old World eccentricity that disrupt the conventional world of order-obsessed New York. Ellen's hopes of being set free from her past are dashed when she is forced to choose between conformity and exile, while Newland's appointment by the Welland family as Ellen's legal consultant begins an emotional entanglement, the force of which he could never have imagined.
