Fischer,2011-04-20 The School of Journalism at Columbia University has awarded the Pulitzer Prize since 1917 Nowadays there are prizes in 21 categories from the fields of journalism literature and music The Pulitzer Prize Archive presents the history of this award from its beginnings to the present In parts A to E the awarding of the prize in each category is documented commented and arranged chronologically Part F covers the history of the prize biographically and bibliographically Part G provides the background to the decisions *Editorial Cartoons by Kids, 1997* ,1997 **Depicting Canada's Children** Loren Lerner,2011-04-07

Depicting Canada's Children is a critical analysis of the visual representation of Canadian children from the seventeenth century to the present Recognizing the importance of methodological diversity these essays discuss understandings of children and childhood derived from depictions across a wide range of media and contexts But rather than simply examine images in formal settings the authors take into account the components of the images and the role of image making in everyday life The contributors provide a close study of the evolution of the figure of the child and shed light on the defining role children have played in the history of Canada and our assumptions about them Rather than offer comprehensive historical coverage this collection is a catalyst for further study through case studies that endorse innovative scholarship This book will be of interest to scholars in art history Canadian history visual culture Canadian studies and the history of children

Singular Sensations Michelle Ann Abate, 2024-09-13
Michelle Ann Abate examines what *The Family Circus*, *Ziggy*, and *The Far Side* all have in common: they're single-panel comics, a seemingly simple form that presents cartoonists with a wide range of possibilities. Covering everything from nineteenth-century political cartoons to twenty-first-century web comics, she reveals their complexity, artistry, and influence.

The Media World of ISIS Michael Krona, Rosemary Pennington, 2019-11-01
This anthology explores how ISIS used media and propaganda, shedding light on the characteristics, mission, and tactics of its messaging. From efficient instructions on how to kill civilians to horrifying videos of beheadings, no terrorist organization has more comprehensively weaponized social media than ISIS. Its strategic, multiplatformed campaign is so effective that it has ensured global news coverage and inspired hundreds of young people around the world to abandon their lives and their countries to join a foreign war. Contributors consider how ISIS's media strategies imitate activist tactics, legitimize its self-declared caliphate, and exploit narratives of suffering and imprisonment as propaganda to inspire followers. Using a variety of methods, contributors explore the appeal of ISIS to Westerners, the worldview made apparent in its doctrine, and suggestions for counteracting the organization's approaches. Its highly developed, targeted, and effective media campaign has helped make ISIS one of the most recognized terrorism networks in the world. Gaining a comprehensive understanding of its strategies will help combat the new realities of terrorism in the twenty-first century.
