Edgar Cayce's Astrology For The Soul:

Edgar Cayce's Astrology for the Soul Margaret Gammon, W. H. Church, 1998 Take a fascinating look at planetary and astrological influences on our soul growth Planetary influences and their effects on lives past and present played a large role in the life readings given by Edgar Cayce Here is a careful look at the readings view of astrological influences and how they can shape each of us in the present Includes new material on sunspots and more The Perfect Horoscope John Willner, 2001-03-20 The majority of horoscopes in current use are terribly wrong Why Because spiritual birth times which are essential to producing an accurate horoscope according to Edgar Cayce occur up to four and a half hours before physical birth That difference leaves aspects between planets about the same but shifts all house cusps backward by up to one or two signs Compared with most of today's faulty horoscopes these perfect horoscopes match personas with awesome precision and provide greatly enhanced forecasting capabilities This revolutionary book on astrology shows you how to 1 arrive at spiritual birth times 2 apply two other fundamentals of astrology currently omitted from most horoscopes and 3 verify your now totally functional horoscope Topics covered in this book include Who in recorded history may have been responsible for the mistakes of astrology and its subsequent fall from grace o How to calculate accurate soul chosen horoscopes What steps can be taken to verify a soul chosen horoscope Why progressions not transits mark the stepping stones of life When horoscopes can be used to confirm fundamentals and reject damaging false ideas such as the first breath theory Which concepts will change as we move from the Piscean Age of tolerant opinions to the Aquarian Age of benevolent intelligence
