Goodman, 1988-12-22 A cross disciplinary exploration of comparative religion that offers a unified field theory of religion as human behavior In this book anthropologist and spiritual explorer Felicitas Goodman examines ritual the religious trance alternate reality ethics and moral code and the named category designating religion The analysis is divided into two sections The first reviews species wide human traits that form the basis for religious behavior Goodman in speculative examination traces the origins of religion to the dawn of human history when religious ritual was accompanied by gesture rather than full fledged modern speech Ritual is seen as being the expression of the vastness of the drama of human life death birth and procreation The common neurophysiological basis for religious experience is seen to be a particular type of brain tuning the religious altered state of consciousness a trance facilitating contact with an alternate reality The content of this other reality is shown to vary according to the type of adaptation to the habitat The second section describes the religious systems of the world dividing them according to societal type A systematic comparison shows that religions vary according to whether people are hunter

gatherers horticulturalists agriculturalists nomadic pastoralists or city dwellers An important book which deserves the careful attention of serious students of religion Religious Studies Review Very few such global interpretations are ever attempted and this one succeeds The book's importance is in the interpretation as well as in the rich data base materials the book presents Willard Johnson **Ecstasy and Distress** Richard Shain Cohen, 2016-06-10 **Knowledge, Love, and Ecstasy in the Theology of Thomas Gallus** Boyd Taylor Coolman, 2017-01-26 Knowledge Love and Ecstasy in the Theology of Thomas Gallus provides the first full study of Thomas Gallus d 1246 in English and represents a significant advance in his distinctive theology Boyd Taylor Coolman argues that Gallus distinguishes but never separates and intimately relates two international modalities in human consciousness the intellective and the affective both of which are forms of cognition Coolman shows that Gallus conceives these two cognitive modalities as co existing in an interdependent manner and that this reciprocity is given a particular character by Gallus anthropological appropriation of the Dionysian concept of hierarchy Because Gallus conceives of the soul as hierarchized on the model of the angelic hierarchy the intellect affect relationship is fundamentally governed by the dynamism of a Dionysian hierarchy which has two simultaneous trajectories ascending and descending Two crucial features are noteworthy in this regard in ascending firstly the lower is subsumed by the higher in descending secondly the higher communicates with the lower according to the nature of the lower When Gallus posits a higher affective cognitio above an intellective cognitio at the highest point in the ascent accordingly this higher affective form both builds upon and sublimates the lower intellective form At the same time this affective cognitio descends back down into the soul both enriching its properly intellective capacity and also renewing the ascending movement in love For Gallus then in the hierarchized soul a dynamic mutuality between intellect and affect emerges which he construes as a spiralling motion by which the soul unceasingly stretches beyond itself ecstatically in knowing and loving God *Chassidic Ecstasy in Music* Shmuel Barzilai, 2009 Music is of paramount importance in Judaism On the verse Hearken unto the song and the prayer which Your servant prays before You this day I Kings 8 28 the Gemarrah states that wherever there is song there shall be prayer and indeed in the Temple song was an inseparable element of the sacrificial services thereafter finding its position in the prayers and the Torah reading with its special melody in the synagogue Chassidism employed music as one of its main avenues for serving G d Music served to bring the individual to a state of awakening and joy nullifying sadness which was seen as an element that could only lead to negativity Joy allowed one to reach ever higher levels in the service of G d leaving one's sorrows behind as explained by the founder of the Modzits Chassidic court Rabbi Yehezkel of Kozmir when interpreting the verse with joy you shall go forth Isaiah 55 to mean that through joy we shall go forth from all our difficulties In this book Shmuel Barzilai takes the reader on a brief and concise tour of the Chassidic courts and their world of music It explains the wordless melody Niggun which is perhaps even more important than songs having words the importance of dance the place of honor given to Shabbat songs and the role of music in Kabbalah The book provides an overview of the activities of Rabbis

who composed and sang at every opportunity whether in the synagogue or while conducting the traditional Tisch where Chassidic adherents gathered each Shabbat and Festival to hear their Rebbe explain sections of Torah sing and interpret sayings on music Barzilai also discusses melodies niggunim that became particularly famous or derived from non Jewish sources but underwent a process that allowed them to be adopted by the Admorim leaders and integrated into the Chassidic court s repertoire      *Brief Ecstasy* Denise Robins,2014-08-14 The handsome young Spaniard Rosemary meets on her train journey to Malaga seems to cast a magic spell over her For those few brief hours she knew a passionate ecstasy with Paul But on meeting Mercedes the girl to whom she is to be companion Rosemary s dreams of love are abruptly shattered For Mercedes is engaged to marry Don Pablo Iballo who is none other than Paul himself Mercedes is desperately in love with an out of work musician and Rosemary hurt and angered by Paul s reprehensible behaviour thinks of a wild plan to deceive him On the day of the wedding she changes places with Mercedes and her face hidden by the heavy veil the ceremony went through But when the plot is discovered Paul does not send her away in fury as Rosemary had imagined He has other ideas he believes that a wife should fulfil her duties A captivating love story from the 100 million copy bestselling Queen of Romance first published in 1934 and available now for the first time in eBook      **Howard Barker: Ecstasy and Death** D.

Lost Ecstasy June McDaniel,2018-06-26 This book is a study of religious ecstasy and the ways that it has been suppressed in both the academic study of religion and in much of the modern practice of religion It examines the meanings of the term how ecstatic experience is understood in a range of religions and why the importance of religious and mystical ecstasy has declined in the modern West June McDaniel examines how the search for ecstatic experience has migrated into such areas as war terrorism transgression sexuality drug use and anti institutional forms of spirituality She argues that the loss of religious and mystical ecstasy as both a religious goal and as a topic of academic study has had wide ranging negative effects She also proposes that the field of religious studies must go beyond criminalizing trivializing and pathologizing ecstatic and mystical experiences Both religious studies and theology need to take these states seriously as important aspects of lived human experience      Forever Ecstasy Janelle Taylor,2011-10-24 SAVAGE ECSTASY WHISPERED KISSES FOLLOW THE WIND These are just a few of the books that have made Janelle Taylor such a beloved and bestselling author of historical romance

And her sweeping tales of Gray Eagle's love for the beautiful Alisha and the passion filled adventures of their descendants are among her most unforgettable novels. Now at last the legend continues. Forever Ecstasy. Morning Star knew it was her duty as an Oglala princess to join with a warrior of her tribe. After all she was the granddaughter of the revered Gray Eagle and her father was the great Chief Sun Cloud. But the moment she gazed into the sky blue eyes of Joseph Lawrence she realized he was fated to be in her life circle. For he was the man of legend the white man who would lead her tribe to peace. He was also the lover who would stir her soul with forbidden desires. Together they would know a great destiny and an everlasting love.

**Forbidden Ecstasy** Janelle Taylor, 2011-10-24. A newlywed Englishwoman must find her missing Sioux husband in this historical romance by the New York Times bestselling author of Defiant Ecstasy. Never before did the possession of a man fill Alisha with such excitement as when she held her handsome lover in her arms. That she was a white woman living in the world of the Oglala now mattered. They had promised each other their hearts forever, nothing could keep them apart. But when Alisha awoke to dawn's first light her warrior was gone. Her lips were tender from his fiery kisses, her body throbbed from his fierce passion and still she longed for him. Lost between two worlds she was desperate and alone. Betrayed by her savage lover she hungered for their forbidden love.

**The Ecstasy of Enlightenment** Thomas Cleary, 1998-04-01. The Ecstasy of Enlightenment is an inside look at the spiritual world of Tantra, one of the most sophisticated, alluring and controversial forms of Buddhism. Cleary unlocks the mysteries of the Caryā Giti, a collection of teachings by more than twenty famous Siddhas or Tantric adepts who lived during the illustrious Pala dynasty of old Bengal. These teachings emanate from one of the most dynamic sources of international Buddhism at the height of its religious development and as such they are completely nonsectarian. Particularly noteworthy is Cleary's demonstration of the parallels between Tantric Buddhism in Old Bengal and the original Zen Buddhism of China.

**Shadows of Ecstasy** Charles Williams, 2016-06-26. THE SHADOW OF ECSTASY. Charles Williams had a genius for choosing strange and exciting themes for his novels and making them believable and profoundly suggestive of spiritual truths. Shadows of Ecstasy tells of a mysterious invasion that threatens Europe from Africa. United in a fanatic crusade against death, the spiritual powers of the Dark Continent rise up with exultant paganism. A humanistic adept has discovered that by focusing his energies inward he can extend his life almost indefinitely. He undertakes an experiment using African lore to die and resurrect his own body, thereby assuring his immortality. His followers begin a revolutionary movement to supplant European civilization.

Ecstasy and Intimacy Edith M. Humphrey, 2006. Foreword by Eugene H. Peterson. Countering the generic spirituality so popular today, Edith Humphrey presents an authentic Christian spirituality that draws on Scripture and the profound riches of the Christian tradition. Orthodox, Catholic and Protestant, Humphrey shows how Christian spirituality is rooted in the Trinity, in the ecstasy going out of oneself and intimacy, profound closeness with another, marking the relations between Father, Son and Holy Spirit. The book embodies a banquet of excerpts from the greatest spiritual writers in history, such luminaries as St. Augustine, St.

John Chrysostom Julian of Norwich St Teresa of Avila the Wesley brothers Thomas Merton and Alexander Schmemmann  
Humphrey's elegant prose laced with stories and images from her own life beautifully uncovers the ways in which God's  
trinitarian life informs all human communion Each chapter ends with questions for further reflection and discussion Wild
