The New Commonsense Guide to Your 401(k) Mary Rowland,2010-06-03 Since the credit crash investors have been searching for answers as 401 k accounts have suffered unprecedented declines Not only have markets been tumultuous but new regulations and concerns regarding hidden fees have been introduced to an already opaque area of investing Despite the severe economic retreat in 2008 2009 one thing hasn't changed 401 k accounts because of their tax benefits are still the best way for most people to invest for retirement Mary Rowland breaks down how they work why they're still a smart investment how to keep an eye out for hidden fees and why now is the time to start reinvesting in your retirement As the former personal finance columnist for the Sunday New York Times and the author of three books on investing Mary Rowland has extensive experience covering the issues that 401 k investors face when they consider how to best prepare for retirement

Commonsense Psychology and the Home Frederick H. Dodd,2024-11-01 First published in 1933 *Commonsense Psychology and the Home* was a book for parents and others who were interested in the welfare of the child and who although sceptical of and confused by the conflicting schools of modern psychology at the time desired guidance from modern knowledge combined with experience which they could appreciate as appealing to their common sense It deals with the ideals of home life from the choice of the partner to make a home through the whole development of the family ending up on the arrival of grandchildren It shows the commonsense application of psychological principles to the happy and harmonious development of the home and the ultimate achievement of a freed personality when the child goes out into the world It shows step by step how major difficulties may be avoided and minor difficulties handled This book is a re issue originally published in 1933 The language used and views portrayed are a reflection of its era and no offence is meant by the Publishers to any reader by this re publication
