Maynard,2019-01-08 The Ultimate Parent aka THE FATHER offers the best practices Not only are there several practical models books and ways of looking at parenting fatherhood but very few succinctly offer the first intentions

and original design and expectations for fatherhood and families This book is great for every Men s Ministry speaking on being a great father any parent or leader who applies the principles found in this 11 chapter Fatherhood Mandate will find their family Wisdom is applicable in all walks of life dads future dads newlyweds those engaged to be married single mothers women raised without their father will all be blessed with what is really expected from fatherhood and leadership *The Father's Heartbeat* Ella Jane Coley,2009-11 *Mother Nature V. Father God* Lawson Riddle,2006-06 To expose the religious racket and the God myth billionaire Wendel Wardon plots to force a court to decide for the first time in history God does not exist His will leaves everything to a tiny church only if it proves God exists To make sure the church loses Wardon appoints his prominent attorney Stanford Miles his will s executor **Wisdom's Odyssey** Peter A. Redpath,2021-11-01 This book establishes that the ancient Greeks had a prevailing method of doing philosophy which was rooted in philosophical realism Through extensive historical and philosophical analysis it demonstrates that this method was challenged in ancient times by an apocryphal notion of philosophy which eventually became confused with philosophical reasoning and was passed on to posterity through the work of Christian theologians until it was called into question by leading thinkers of the thirteenth century It shows how this thirteenth century challenge influenced the growth of the Renaissance humanist movement and how this movement in turn passed on to modernity the same apocryphal notion of philosophy as a rhetorical theology of allegorical prefiguration **Cumulated Index to the Books** ,1999 **Daughters, Dads, and the Path Through Grief** Donna DiCello, Psy.D.,Lorraine Mangione, Ph.D.,2014-12-15 Losing a father can be absolutely wrenching This insightful guide tells the story of the strong connections between daughters and dads throughout life and the consequential grief and loss a daughter feels when her father dies Stories from 50 women offer glimpses into the many aspects of father daughter relationships that are warm and nurturing sometimes complicated and conflicted and always solid and enduring The Italian American women interviewed ultimately find great peace and meaning in the on going relationship with their fathers even after death Using these women s stories the readers are presented a multi faceted discussion filled with amusement complexity and intensity struggle and resistance and above all remarkably powerful family bonds The daughters reactions to the passing of their fathers display the strength of relationships built over many years as well as the spiritual and emotional framework that shapes the lives of many Italian American women today **Upon Further Consideration** Cathy J. Drummond,2024-02-27 This book offers a unique perspective on the history of the African American people without being offensive to others and offers this history from the perspective of being an African American living here in the United States of America The book was written from the perspective of its author who was born in the late 50s experienced adolescence from the late 60s to the early 70s entered adulthood in the middle 70s which has given the author of this book the entire spectrum of life here in America pre integration segregation as well as living in the post integration era The struggles of African Americans were truly real and this book offers a concise and rather limited overview of African American history

Nevertheless the book offers pertinent and timely information still very much needed today Being biblically inspired as well this book contains both scripture and scriptural commentaries Having the influence of the author s faith intertwined this is a no holds barred reading In addition the book contains records of the likes of historical violence filled voter suppression and the groups who initiated such violence against the African American voter along with the movers and shakers of political empowerment for African Americans throughout this still young history of African American in this country The book contains historical essays on lynching along with the achievements of African Americans as well and despite all the roadblocks that have been put in from of them African American continues to thrive Finally the book hopes and serves to motivate African Americans and others in an attempt for those to believe in those better days for themselves and others as well here living in the United States of America

Fathered By God Olivia Jones,2018-01-08 Ever wonder what it would be like to have a perfect strong powerful father who could give you everything you need Your perfect father would love you unconditionally and always do what was best for you If you had that fortune you d probably feel privileged and highly confident Life would be pretty good right Guess what If you are a follower of Jesus Christ you were adopted into His family His father is also your father God is delighted to have you as His child He loves you dearly and wants to parent you during all stages of your life He created you and knows everything about you He knows how to develop your strengths fix what is broken and guide you along the right path God is the only perfect father and He is yours In this book you ll get to know How and when you were adopted into God s family The many ways that God parents you How you are to live as a member of His family Why you can live with great confidence This book will leave you with a deeper understanding of God the Father and how you can have the life He desires for you
