Good Night Mrs Calabash Jimmy Durante:

Good Night, Mrs. Calabash William Cahn,1963 Famous Durante quips interspersed within the narrative along with many photographs give a rounded picture of the star s personality **Good Night, Mrs. Calabash; the Secret of Jimmy Durante** William L. Cahn,1963 *Jimmy Durante* David Bakish,2007-03-07 From his humble beginnings as a Coney Island piano player Jimmy Durante was one of America s best loved entertainers for nearly seven decades Known for his distinctive schnozzle and raspy voice the multitalented performer became a stage screen and recording star Every aspect of Jimmy Durante s career is covered here his early vaudeville and Broadway days the 38 movies he made his radio appearances the mixture of new and old material he brought to television in the late 1950s and his work as a singer and composer The A to Z of Old Time Radio Robert C. Reinehr,Jon D. Swartz,2010-04-09 The term Old Time Radio refers to the relatively brief period from 1926 when the National Broadcasting Company first began network broadcasting until approximately 1960 when television became the dominant communication medium in the United States During this time radio was as popular and ubiquitous as television is today It was amazingly varied in the types of programming it offered many characters and programs were so popular that virtually everyone was familiar with them Even today recorded versions of these programs are still extremely popular and widely available both from commercial outlets and from hobbyists Behind the production of these programs was a complex technological and financial infrastructure that had to be developed virtually from scratch in a world unaccustomed to the rapid communication and technological marvels that we take for granted today The A to Z of Old Time Radio provides essential facts and information on the Golden Age of Radio This is accomplished through the use of a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on the radio networks programs directors producers writers actors radio series and radio stations Entries on your favorite shows The Lone Ranger The Shadow Dragnet and Suspense and actors Bob Hope George Burns Gracie Allen and Edgar Bergen will have you jumping from one entry to the next as you relive old favorites and discover hidden treasures from the Golden Age of Radio *Chase's Calendar of Events 2024* Editors of Chase's,2023-10-15 Find out what s going on any day of the year anywhere across the globe Since 1957 Chase s Calendar of Events lists everything worth knowing and celebrating for each day of the year 12 500 holidays national days historical milestones famous birthdays festivals sporting events and more Publishers Weekly has cited it as one of the most impressive reference volumes in the world Library Journal named the 67th edition A 2024 Starred Review an invaluable resource for trivia fans planners media professionals teachers and librarians From national days to celebrity birthdays from historical milestones to astronomical phenomena from award ceremonies and sporting events to religious festivals and carnivals Chase s is the must have reference used by experts and professionals a one stop shop with 12 500 entries for everything that is happening now or is worth remembering from the past Completely updated for 2024 Chase s also features extensive appendices as well as a companion website that puts the power of Chase s at the user s fingertips

Sources of Light Margaret McMullan, 2010 It's 1962 a year after the death of Sam's father Sam and her mother must move along with their very liberal views to Jackson Mississippi Needless to say they don't quite fit in As racism ensues Sam learns to focus with her camera lens to bring forth the social injustice out of the darkness and into the light

The Natural History of Uncas Metcalfe Betsey Osborne, 2007-04-01 Uncas Metcalfe is a sixty five year old botany professor from a once prosperous central New York town whose habitat is changing much too quickly his wife is ill his daughter has returned home and an unusual new friendship unexpectedly stirs up memories of an almost forgotten infidelity Uncas is rooted in a life of plants and manners When his routine is upended by the menacing demands of a former student Uncas finds his comfortably obstinate nature at odds with his family's growing impatience and a newfound terrifying

uncertainty The Natural History of Uncas Metcalfe follows an unforgettable hero as he struggles to right himself and adapt to changing expectations even as he approaches the end of his life Beautifully wrought and wonderfully imagined the intricacies of the Metcalfe family will linger in your imagination long after the last page *Their Stars Shone Brightly* Larry O.

Goldbeck, MD, 2016-08-27 The passage of time inevitably causes outstanding achievements and important names to be obscured or lost However this does not reduce their inherent value Over the course of many decades the author has derived countless hours of entertainment and education through the four major American entertainment media radio theater movies and television He feels indebted to the exceptionally talented performers of the twentieth century who have now passed into history Recently the author has attempted to locate a book describing all four of the entertainment media and its great performers but none is to be found Many books are available about only one or two media The author hopes that this book will spark the readers interest in the great stars of the past and propagate this forward particularly to the younger generation All the data in this book is publicly available piecemeal but this book consolidates and makes it more pleasurable and easier for the reader to acquire the fun and sometimes trivial information Long Black Veil Jennifer Finney

Boylan, 2018-01-09 Publishers Weekly s Best Books of 2017 For fans of Donna Tartt and Megan Abbott a novel about a woman whose family and identity are threatened by the secrets of her past from the New York Times bestselling author of *She s Not There* On a warm August night in 1980 six college students sneak into the dilapidated ruins of Philadelphia s Eastern State Penitentiary looking for a thrill With a pianist a painter and a teacher among them the friends are full of potential But it s not long before they realize they are locked in and not alone When the friends get lost and separated the terrifying night ends in tragedy and the unexpected far reaching consequences reverberate through the survivors lives As they go their separate ways trying to move on it becomes clear that their dark night in the prison has changed them all Decades later new evidence is found and the dogged detective investigating the cold case charges one of them celebrity chef Jon Casey with murder Only Casey s old friend Judith Carrigan can testify to his innocence But Judith is protecting long held secrets of her own secrets that if brought to light could destroy her career as a travel writer and tear her away from her fireman husband and teenage son If she chooses to help Casey she risks losing the life she has fought to build and the woman she has struggled to become In any life that contains a before and an after how is it possible to live one life not two Weaving deftly between 1980 and the present day and told in an unforgettable voice *Long Black Veil* is an intensely atmospheric thriller that explores the meaning of identity loyalty and love Readers will hail this as Boylan s triumphant return to fiction

Southern Food John Egerton, 2014-06-18 This lively handsomely illustrated first of its kind book celebrates the food of the American South in all its glorious variety yesterday today at home on the road in history It brings us the story of Southern cooking a guide for more than 200 restaurants in eleven Southern states a compilation of more than 150 time honored Southern foods a wonderfully useful annotated bibliography of more than 250 Southern cookbooks and a collection of more

than 200 opinionated funny nostalgic or mouth watering short selections from George Washington Carver on sweet potatoes to Flannery O Connor on collard greens Here in sum is the flavor and feel of what it has meant for Southerners over the generations to gather at the table in a book that s for reading for cooking for eating in or out for referring to for browsing in and above all for enjoying Explorer's Guide Myrtle Beach & South Carolina's Grand Strand: A Great Destination: Includes Wilmington and the North Carolina Low Country Renee Wright,2012-02-28 A travel guide that covers both Myrtle Beach and its neighbors over the North Carolina border including the seaports of Wilmington and Southport which contains information on lodging dining transportation history shopping recreation and more a section packed with practical information such as lists of banks hospitals post offices laundromats numbers for police fire and rescue and other relevant information maps of regions and locales and more

Incomparable Grace Mark K. Updegrove,2022-04-26 An illuminating account of John F Kennedy s brief but transformative tenure in the White House from acclaimed author and historian Mark K Updegrove head of the LBJ Foundation and presidential historian for ABC News Tremendously absorbing and inviting An important book Doris Kearns Goodwin Elegant concise and knowing Michael Beschloss Rescues JFK from Camelot mythology Richard Norton Smith Nearly sixty years after his death JFK still holds an outsize place in the American imagination While Baby Boomers remember his dazzling presence as president millennials more likely know him from advertisements for Omega watches or Ray Ban sunglasses Yet his years in office were marked by more than his style and elegance His presidency is a story of a fledgling leader forced to meet unprecedented challenges and to rise above missteps to lead his nation into a new and hopeful era Kennedy entered office inexperienced but alluring his reputation more given by an enamored public than earned through achievement In this gripping new assessment of his time in the Oval Office Updegrove reveals how JFK s first months were marred by setbacks the botched Bay of Pigs invasions a disastrous summit with the Soviet premier and a mismanaged approach to the Civil Rights movement But the young president soon proved that behind the glamour was a leader of uncommon fortitude and vision A humbled Kennedy conceded his mistakes and importantly for our times drew important lessons from his failures that he used to right wrongs and move forward undaunted Indeed Kennedy grew as president radiating greater possibility as he coolly faced a steady stream of crises before his tragic

end Incomparable Grace compellingly reexamines the dramatic consequential White House years of a flawed but gifted leader too often defined by the Camelot myth that came after his untimely death **Stroke of Luck** Larry Belling,2014-03-28 A dark outrageous comedy of greed family and love by American playwright Larry Belling The Presidency of John F. Kennedy James N. Giglio,2006 The presidency of John F Kennedy continues to fascinate even as it also continues to inspire heated debates between admirers and detractors of Camelot s fallen king Now readers can gain a new appreciation of JFK in this thoroughly revised and updated edition of James Giglio s bestselling study widely acclaimed as the best and most balanced book on JFK s White House years Giglio incorporates the voluminous archival materials made available in the last fifteen years including the declassified documents on crucial foreign policy affairs and White House medical records that contradict the image of Kennedy s youth and vigor He stresses the extent to which domestic and foreign policies were interconnected at a time when the Cold War dominated national life and reveals his new appreciation for JFK s prudence in his handling of such enormous challenges as the Cuban missile crisis and the emerging war in Vietnam Giglio shows Kennedy to be the most medicated one of the most courageous and perhaps the most self absorbed of our presidents He reviews the physical ailments and heavy prescriptions that were kept out of the public eye and catalogs sexual indiscretions ranging from Marilyn Monroe and socialite Florence Pritchett to low level White House employees and even virtual strangers Surveying this field of conquest Giglio suggests that JFK s sexual obsession could easily have affected his presidency even more during a second term His work also amplifies coverage of key issues like civil rights the Cuban missile crisis and Vietnam and reevaluates many of the questions surrounding the assassination maintaining that even with the existence of a conspiracy still doubtful the case is far from closed Like the first edition this new edition provides a sharp and thoughtful analysis of both domestic and foreign affairs and underscores that despite his undeniably brief tenure in office the state of the nation actually did improve on Kennedy s watch Featuring an expanded bibliographical essay and twenty two photos from the JFK library The Presidency of John F Kennedy remains the definitive appraisal of Camelot s kingdom

Congressional Record United States. Congress,1980 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 **Native State** Tony Cohan,2003-10-14 A captivating deeply affecting memoir chronicling a journey from a Hollywood childhood as the son of a fading show business figure to a bohemian life in Europe and back to his native state of California where the author must face the man who had driven him away Summoned from abroad to attend to the ninety four year old father he s never been close to writer and musician Tony Cohan finds himself reliving his own peripatetic life a kaleidoscopic odyssey from California s sunny postwar promise through the burnt end of the 1960s to the final days of the last century An

engrossing investigation of memory and identity love and desire art and fate Native State vividly portrays the author's attempts to escape the confines of a celebrity filled alcoholic family through music writing and travel His descent into the colorful milieus of musical and literary geniuses and lowlifes divas and crooks fortune tellers and culture gods in Paris Tangier London Copenhagen Barcelona San Francisco Kyoto and Los Angeles coalesces into a distinctive intimate depiction of a pivotal cultural era Throughout Cohan brilliantly interweaves and contrasts his past experiences with his present day reflections on the universal youthful desire to flee home and family and the simultaneous undertow of origins urging a return The result is a work that combines unusually rich storytelling with extraordinary literary quality Poignant elegantly crafted and often funny Native State is an indelible portrait of the artist as a young man and as son and dying father groping toward acceptance a coming to terms with self family origins and the elusive American idea of home

Eight Generations Dennis Ford, 2011-03-25 Mom and Dad lived through a tumultuous age The Great Depression The World War against totalitarianism The Korean War The Vietnam War Men walking on the moon Robots walking on Mars The home computer The Internet Antibiotics Google Mom has seen enormous changes in technology and in social cultural life she thinks children grow up too fast and are exposed to too much media In Mom's lifetime she's gone from rotary phones and party lines to cell phones that take pictures and provide Internet service and from the iron range and wood icebox to microwave ovens and refrigerators that have cold water faucets on the outside doors and from black and white television sets with thirteen stations to high definition flat screens with hundred of stations and from a hand scrubbed world of washboards and wringers to a push button electronic world where everyone is connected to everyone and where every last scrap of information flows instantaneously at the touch of a finger In Mom's lifetime she's gone from Jim Crow and racial violence to a country that elected a black man as president and from the inequality of the sexes to a country where women are in positions of power and from a world of polite manners and civil discourse to a world where the foulest language is heard and where children think nothing of standing up to adults and telling them where to go and from a world where the priest and the local politician lorded over everyone to a world where authority in every order and guise has been scattered to smithereens

Good Night Mrs Calabash Jimmy Durante Book Review: Unveiling the Power of Words
