Good Practice Guidelines for Agricultural Leasing Arrangements N. Ravenscroft,Food and Agriculture Organization of the United Nations,2001-01-01 The information in this booklet is designed to assist governments and civil society in understanding how agricultural leasing and related agreements work and what the advantages are of providing an appropriate framework for equitable arrangements that balance the interests of the parties involved generally the tenant and the landowner The guidelines therefore deal with the contextual and policy issues surrounding agricultural leasing but also focus on providing a practical and up to date guide and commentary on those issues that need to be considered by both landlord and tenant when negotiating over the leasing of agricultural land

The Development Dimension Policy Coherence for Development Promoting Institutional Good Practice OECD,2005-10-20 This book presents the latest thinking to help governments achieve policy coherence in support of development It provides a synthesis of lessons learned from peer reviews specific case studies and recent workshops

Developing Good Practice in Children's Services Vicky White,John Harris,2004 Vicky White and

John Harris have drawn together the contributors experiences of working with children in a broad range of settings emphasising ways in which the current context of change can be used as an opportunity to enhance the quality of service provision and achieve better outcomes for children and their families **Good Practice Accreditation of Prior Learning**

Lovemore Nyatanga,1997-03-01 Starting with a discussion of the origins of Accreditation of Prior Learning APL this text proceeds to look at the variety of models through which candidates are able to offer testimony of their prior learning It explores the theoretical principles first then illustrates with case studies **Better Aid Civil Society and Aid Effectiveness Findings, Recommendations and Good Practice**

OECD,2010-02-03 This book is a resource for implementing the recommendations on civil society and aid effectiveness emerging from the Accra High Level Forum and its preparatory process **LOGIC: Good Practice Principles for Mainstreaming Behavioural Public Policy**

OECD,2024-05-23 This report outlines good practice principles intended to encourage the incorporation of behavioural perspectives as part of standard policymaking practice in government and governmental organisations *Inspiring Science in the Early Years: Exploring Good Practice* Lois Kelly,Di Stead,2015-02-16 This book explores the science inherent in good early years practice and provides a rich range of ideas to inspire you to have a go in your setting It provides a balance between theory which underpins good practice and plenty of ideas of how you might put the theory into practice With a focus on how children learn about the world they live in and activities intended to develop scientific understanding the book offers an holistic approach with key topics including How children construct scientific meaning Tuning into children s initial scientific understanding How play supports the development of children s science ideas Providing a rich environment for learning early years science Developing children s scientific experiences This handy guide is ideal to support you if you are studying on an early years course or if you are an established early years professional who wishes to enrich early scientific learning in your setting Lois Kelly and Di Stead are Education Consultants specializing in primary science This clearly written and engaging book examines Science in the Early Years through a variety of activities including role play toys and technology The vital importance of sensory experiences and language is emphasized throughout The wide experience and knowledge of the authors guarantees a highly enjoyable read The links to all curricula in the UK are extremely beneficial and I particularly liked the way that photographs and Key Points text boxes have been used throughout the book The breadth and depth of writing about science makes this a highly desirable book for any practitioner working or studying in the Early Years Kathy Brodie Independent Early Years Consultant As an Early Years consultant who is passionate about children s thinking exploring questioning investigating and most of all engaging I really enjoyed this book I especially liked it because it provokes practitioners to think about science as the discovery and exploration of the world around us and not just as a National Curriculum subject The mix of authors their writing styles and the content of each chapter makes it a really easy and engaging read Definitely one to add to your reading list if you work with children in the Early Years Alistair Bryce Clegg

Early Years Consultant As the title suggests this book from the first page onwards inspires the reader to learn more about how to develop enhance and incorporate effective practice in science in the early years In addition to developing an understanding of how to approach the teaching of science it gives a clearly articulated and accessible theoretical insight into how young children learn To compliment this there are points of reflection case studies practical tasks and examples from the field This is a valuable book for both students and practitioners alike as it goes beyond just giving suggestions for what to do it explains the why and the how as well Joanne McNulty Manchester Metropolitan University This is a warm accessible book strongly grounded in research It interweaves real life examples of science in the early years with underlying pedagogic principles and inspires new possibilities The enthusiasm of the authors is contagious Kendra McMahon Bath Spa University

The Link Between Adherence to International Standards of Good Practice, Foreign Exchange Spreads, and Ratings Mr.Charalambos Christofides,Mr.Christian B. Mulder,Mr.Andrew Tiffin,2003-04-01 This paper examines the relationship between adherence to international standards of good practice in policy making and two key indicators of access to capital markets and the cost of this access spreads and sovereign ratings In contrast to other work this study reviews a broad set of indicators for adherence to international standards The estimations are conducted for emerging market economies and pay particular attention to issues of persistence in spreads and ratings and nonlinearities in the relationships The main finding confirms the expectation that standards are indeed relevant Accounting standards and property rights are especially important for spreads in addition to data transparency SDDS subscription Accounting standards and corruption are especially important in explaining ratings in addition to trade protectiveness not a standard Good Practice in Risk Assessment and Risk Management 2 Hazel Kemshall,Jacki Pritchard,1997 The range of problems that arise due to violence mental health problems substance abuse and familial breakup require fast accurate risk assessment These two volumes by Kemshall and Pritchard explores the techniques needed to solve such problems *Policy and Practice in Primary Education* Robin Alexander,2012-11-12 Detailed accounts of two influential initiatives of the 1990s whose educational and political lessons remain highly relevant systemic and pedagogic reform in one of Britain s largest cities and the controversial three wise men government enquiry into primary teaching to which it led Alexander s controversial and widely read report on primary education in Leeds has now been revised as a major study of policy initiatives in primary education and their impact on practice The book examines an ambitious programme of local reform aimed at improving teaching and learning in the primary schools of one of Britain s largest cities It addresses important questions about children s needs the curriculum classroom practice and school management When first published Robin Alexander s report was hailed as seminal and the most important document since Plowden but it was also quoted and misquoted in support of widely opposed political and media agendas This new edition retains Part I from the first edition detailing the impact of Leeds LEA s programme for educational reform However it also provides a totally new and greatly extended Part II which gives an insider s account of

the sequel to the Leeds report the government's 1992 three wise men report There is also a new introduction **Best Practice with Older People** Karen Jones, Susanna Watson, 2013-08-30 Social workers often have to handle a great deal of negativity in their working lives This book celebrates social work practice at its most positive and influential and in doing so contributes to a growing literature on critical best practice Focused on 12 unique and compelling stories of social work with older people the authors Provide a fresh and realistic insight into life as a social worker and the dilemmas and difficulties that practitioners typically face Illustrate how knowledge theory and research are integrated in professional decision making and action Show social workers analyzing their own cases and include reflective questions to help readers formulate their own learning and thereby develop their own practice This book provides students on qualifying courses with an invaluable perspective on real life practice and gives qualified practitioners the opportunity to reflect on and better their own practice
