Faltot, 2013-04-05 In this edition of *Epiphanies Theories and Downright Good Thoughts* J C L Faltot takes some time away from his video games to tackle another of lifes controversial worlds being single The sequel to *Epiphanies Theories and Downright Good Thoughts* made while playing video games Faltots newest book explores what life can look like through the eyes of a bachelor With friends getting married and people going their separate ways Faltot is awakened to a new world A place that is filled with new experiences questionable behaviors and life lessons one can only learn while maintaining a single life Faltots unique blend of sati re and hard truth helps paint a picture of what it means and could mean to be single in the 21st century If there were a survival guide for the single person then this could be it      *Epiphanies, Theories, and Downright Good Thoughts...Made While Playing Video Games* J.C.L. Faltot, 2012 A lot of people play video games A lot of people think they have good even great ideas So what happens when these two worlds collide Well *Epiphanies Theories and Downright Good Thoughts* tries to answer these questions for us The video game industry has boomed into a monster of the consumer market and though we may not realize it this unstoppable machine has left a fingerprint on the generation that has grown up playing them And by fingerprint we mean a giant freaking punch So now only now we are beginning to see what years of video game playing sitting in front of the tv for hours learning to use surge protectors has done to our future One such pioneer who survived this dangerous time is our author J C L Faltot who takes a serious albeit sarcastic look into the machine that is the video game monster How video games have helped shape the market touched the lives of those who play them and defined people like Faltot for the rest of his life For better or for worse And perhaps in many ways as you will find along Faltot s estranged journey it s often a little bit of both      **Pretty Me** Nabeela Khan, When we talk about taking care of ourselves We usually don t have time Why does it matter Is this even essential Work is only important These are some arguments which people usually put forward I planned on compiling this Anthology because different writers can transmit various ideas about the Self care which will make this book unique *Pretty Me* is an anthology which consists of 20 folks who are trying to tell the world that your soul and your body are more valuable than anything else in this world It will benefit all the generations to come as technology is advancing and civilizations are gradually forgetting about themselves This book has been compiled by Nabeela Khan And published by Unvoiced Heart Publications      *The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet* Mary Cowden- Clarke, 1845      Monthly Packet of Evening Readings for Members of the English Church (earlier "for Younger Members of the English Church") , 1893      **Theosophy** Friedrich Max Müller, 1893      *Thoughts on the Collects for the Trinity Season* Ethel Duncan Romanes, 1899      *On the Heights* Berthold Auerbach, 1907      **The Apocrypha** , 1896      *Message of the East* , 1924
