Good Times:

Bill Brewster,2014-01-14 Drawing on in depth interviews with DJs critics musicians recording executives and others two music journalists traces the definitive role of the disc jockey as a primary factor in the evolution of popular music tracing the the dramatic influence of DJs on music over the past forty years and profiling some of the most important DJs in the business Original 30 000 first printing **Groove Music** Mark Katz,2012 The Drive of Your Life Melvin Brown II,2011-07-01 The Drive of Your Life by Melvin Brown II **Weekly Compilation of Presidential Documents** ,2000 **Feel** Matthew Elliott,2008 In Feel Matthew Elliott takes a critical look at what our culture and many churches have taught about controlling and ignoring our emotions He contends that some of the great thinkers of the modern era got it all wrong and that the Bible teaches that God intends for us to live in and through our emotions Emotions are good things that God created us to feel Matthew helps us to understand our emotions and equips us to nurture healthy feelings and reject destructive ones publisher description , A Young Girl's Wooing E.P. Roe,2018-05-15 Reproduction of the original A Young Girl s Wooing by E P Roe **Reagan's Path to Victory** Kiron K. Skinner,Annelise Anderson,Martin Anderson,2004-12-01 In the last years of Ronald Reagan s life his voluminous writings on politics policy and people finally emerged and offered a Rosetta stone by which to understand him From 1975 to 1979 in particular he delivered more than 1 000 radio addresses of which he wrote at least 680 himself When drafts of his addresses were first discovered and a selection was published in 2001 as Reagan In His Own Hand by the editors of this book they caused a sensation by revealing Reagan as a prolific and thoughtful writer who covered a wide variety of topics and worked out the agenda that would drive his presidency What was missed in that thematic collection however was the development of his ideas over time Now in Reagan s Path to Victory a chronological selection of more than 300 addresses with historical context supplied by the editors readers can see how Reagan reacted to the events that defined the Carter years and how he honed his message in the crucial years before his campaign officially began The late 1970s were tumultuous times In the aftermath of Vietnam and Watergate America s foreign and domestic policies were up for grabs Reagan argued against the Panama Canal treaties in vain against the prevailing view that the Vietnam War was an ignoble enterprise from the start against d tente with the Soviet Union against the growth of regulation and against the tax burden Yet he was fundamentally an optimist who presented positive values based prescriptions for the economy and for Soviet relations He told many inspiring stories he applauded charities and small businesses that worked to overcome challenges As Reagan s Path to Victory unfolds Reagan s essays reveal a presidential candidate who knew himself and knew his positions who presented a stark alternative to an incumbent administration and who knew how to reach out and touch voters directly Reagan s Path to Victory is nothing less than a president s campaign playbook in his own words

Celebrating Poetry Across the K-12 Curriculum Napoli, Mary,Day, Deanna,Ward, Barbara A.,2025-07-16 Poetry provides opportunities to explore the universal and common experiences that connect us as human beings When teachers

infuse poetry into their classroom it can foster compassion develop interdisciplinary connections and support literacy instruction However not all teachers use poetry in their classroom either because they are not aware of the value of poetry or because they have not had positive experiences with poetry Given the importance of sharing poetry with today s youth educators must feel confident in evaluating well written poetry and how to weave poetry from award winning poets to support interdisciplinary connections Celebrating Poetry Across the K 12 Curriculum aims to ensure that poetry for children is not neglected as part of the curriculum and to help educators feel more confident in their understanding of children s poetry its relevance to children s lives and its importance to supporting pedagogical connections Featuring interviews with well known poets this resource also showcases the latest pedagogical and scholarly research supporting the integration of poetry in the K 12 classroom Covering topics such as science content romanticism and diversity recognition this book is an excellent resource for educators classroom teachers literacy specialists librarians professionals researchers scholar academicians and more

Thinkin' Drinkin' Richard W. Thatcher, 2011-12-20 While describing and even celebrating some of the many benefits of drinking wine beer and spirits hard liquor in moderation Richard Thatchers Thinkin Drinkin also shares an abundance of ideas and scientific evidence that when taken together add up to a cautionary tale about careless drinking The book is informed by Thatchers own troubled early and long sustained experience with alcohol and his subsequent success at getting the problem under control In addition he brings a wealth of professional expertise to his writing task Dr Thatcher draws upon various aspects of that accumulated knowledge to inform and provide guidance to help teens and young adults establish enjoyable safe worry free approaches to drinking These approaches can be readily adapted to any healthy lifestyle and can become good habits that last a lifetime The author firmly believes that if widely adopted those good habits will save an enormous amount of heartache emotional and physical injury and many thousands of lives
