Murder in St. Charles John Manion,2021-09-24 When I was a young man I loved traditional English murder mysteries the ones in which all the suspects were assembled at the end of the book and some wily detective explained the reasoning and clues that led to the identity of the murderer It was so exciting to watch the detective eliminate suspects and discard certain clues while embracing the clues which led to the actual murderer I would then reread the sections involving the murderer and see how the author had set up the clues that most times had eluded me I had so much fun I read all those mysteries and unfortunately have not found any who use that dramatic format so I decided to write one myself In *Murder in St Charles* the patriarch of a large dysfunctional family is murdered on Christmas night in front of his adult children sister in law her boyfriend and three members of his staff Max Marten is a successful lawyer whose egocentric personality has made him many enemies some in the legal community others in his own family The path to finding Max Marten's murderer is psychologically complex and somewhat overwhelming for the small town police force tasked with solving the crime until criminal psychologist Ray Lynn Park is brought in to consult on the case It is Ray Lynn who solves the case through the use of psychology intuition karma and a little bit of luck And most importantly she uses the little cells in her brain in the best tradition of detectives that went before her Enjoy the book I loved writing it *The Plumbers Trade Journal* ,1908 [The Buffalo Reader](#) Michael Buffalo Smith,2020-03-05 The Buffalo Reader collects the best of over 25 years of blogs liner notes and Southern [Bloody Knuckles](#) Tranay Adams,2024-09-04 JAYVON has found the woman of his dreams in CHRISSY a
