leading a strike against the largest copper mining company in the world In July 1913 twenty five year old Annie Clements has seen enough of the world to know that it s unfair She s spent her whole life in the mining town of Calumet Michigan where men risk their lives for meager salaries and have barely enough to put food on the table for their families The women labor in the houses of the elite and send their husbands and sons deep underground each day dreading the fateful call of the company man telling them their loved ones aren t coming home So when Annie decides to stand up for the entire town of Calumet nearly everyone believes she may have taken on more than she is prepared to handle Yet as Annie struggles to improve the future of her town her husband becomes increasingly frustrated with her growing independence She faces the threat of prison while also discovering a forbidden love On her fierce quest for justice Annie will see just how much she is willing to sacrifice for the families of Calumet From one of the most versatile writers in contemporary fiction this novel is an authentic and moving historical portrait of the lives of the crucial men and women of the early labor movement with an important message that will resonate with contemporary readers Booklist      **Good Will Record** ,1914
