**Becoming a Literacy Leader** Jennifer Allen, 2023-10-10 In this second edition of *Becoming a Literacy Leader: Supporting Learning and Change*, author Jennifer Allen reflects on her work as a literacy specialist and how the role has evolved in the decade since she wrote the first edition. Her experiences can apply to all school leaders, including principals, coaches, teachers, support staff, and office administrators. Allen focuses on three ideas to describe her work: Layered Leadership, the multitude of supports in place for teachers to encourage learning and change within schools; Shared Experiences, that develop community and develop common understanding of practices, curriculum, and assessment; Importance of Rowing in the Same Direction, in that literacy coaches and leaders stay interconnected and aligned to the goals of the school. Allen knows the challenges teachers face and advocates for literacy coaches to implement these layers of support within a school, including in-class support, curriculum support, and assessment study group facilitation, and the cultivation of teacher leadership. In *Becoming a Literacy Leader*, she provides an explicit framework for implementing these layers of coaching and explains how administrators can use the
