Goodnight Sisters Selected Writings Volume Two:

Goodnight Sisters - Nell McCafferty, 1994 Goodnight Sisters...: Selected Writings. Volume Two Nell MacCafferty, 1984 , *Goodnight Sisters* Nell McCafferty, 1987 More challenging and polemical insights into Irish life politics and culture from Ireland's most passionate witness Eavan Boland *The Politics of Sexual Morality in Ireland* C. Hug, 2016-01-18 The research for this book was prompted by a combination of events in particular the election of Mary Robinson to the Presidency and the X Case which rocked Irish society The book is an exploration of the dynamics between the courts the legislators and the Irish citizens in relation to certain socio sexual questions divorce contraception abortion and homosexuality Spanning 73 years since the creation of the Irish State *The Politics of Sexual Morality in Ireland* questions the nature of the moral order regulating Irish society and the concept of democracy underlying it It examines the fragile balance struck between tradition and modernity **The Best of Nell** Nell McCafferty, 1984 **The Cambridge Guide to Women's Writing in English** Lorna Sage, 1999-09-30 This Guide aims to consolidate and epitomise the re-reading of women's writing that has gone on in the last twenty five years This is an opportunity for stock taking a timely project when so much writing has been rediscovered reclaimed and republished There are entries on writers on individual texts and on general terms genres and movements all printed in a single alphabetical sequence The earliest written documents in medieval English the visionary writings of Julian of Norwich and Margery Kempe are covered in an historical and geographical sweep that takes us up to the present day The book reflects the spread of literacy the history of colonisation and the development of post colonial cultures using and changing the English language The entries are written by contributors from all the countries covered The result is a work of reference with a unique feeling for the vitality wealth and diversity of women's writing

The Media and Northern Ireland Bill Rolston, 1991-06-18 An exploration of the relationship between the broadcast media and political events in Northern Ireland Contributors examine a range of issues including the broadcasting ban Ulster Unionism and British journalism the Gibraltar killings and coverage of the conflict by Dublin journalists **The Northern Ireland Troubles in Britain** Graham Dawson, Jo Dover, Stephen Hopkins, 2016-11-28 This ground breaking book provides the first comprehensive investigation of the history and memory of the Northern Ireland Troubles in Britain It examines the impacts of the conflict upon individual lives political and social relationships communities and culture in Britain and explores how the people of Britain including its Irish communities have responded to and engaged with the conflict in the context of contested political narratives produced by the State and its opponents Setting an agenda for further research and public debate the book demonstrates that unfinished business from the conflicted past persists unaddressed in Britain and advocates the importance of acknowledging legacies understanding histories and engaging with memories in the context of peace building and reconciliation Books Ireland , 1987 **New Books on Women and Feminism** , 1989 *Spare Rib* , 1988 *International Books in Print*, 1995 Barbara Hopkinson, [Anonymus AC01401231], 1995 **Invisible Dublin**

Dermot Bolger,1991 **Invisible Cities** Dermot Bolger,1988 **Selected Writings 1909-1953 M.**

Reichenbach,2012-12-06 These two volumes form a full portrait of Hans Reichenbach from the school boy and university student to the maturing and creative scholar who was as well an immensely devoted teacher and a gifted popular writer and speaker on science and philosophy We selected the articles for several reasons Many of them have not previously been available in English many are out of print either in English or in German some especially the early ones have been little known and deal with subject matters other than philosophy of science The genesis and evolution of Reichenbach's ideas appeared to be of deep interest and so we included papers from four decades despite occasional redundancy We were for example pleased to include his extensive review article from the encyclopedic Handbuch der Physik of 1929 on The Aims and Methods of Physical Knowledge written at a time of creative collaboration between Reichenbach's Berlin group and the Vienna Circle of Schlick and Carnap Reichenbach was a pioneer opening new pathways to the solution of age old problems in many fields space time causality induction and probability philosophical analysis and interpretation of classical physics relativity and quantum physics logic language ethics scientific explanation and methodology critical appreciation and reconstruction of past metaphysical thinkers and scientists from Plato to Leibniz and Kant Indeed his own philosophical journey was initiated by his passage from Kant to anti Kant **The Selected Writings of William Hazlitt Vol 7** Duncan

Wu,Tom Paulin,David Bromwich,Stanley Jones,Roy Park,2020-03-25 William Hazlitt is viewed by many as one of the most distinguished of the non fiction prose writers to emerge from the Romantic period This nine volume edition collects all his major works in complete form **The British National Bibliography** Arthur James Wells,1996 **Two Irelands** Rebecca Pelan,2005-06-27 The very different histories of the North and South are reflected in their literature While women in the Republic of Ireland have tended to write about social issuessexism crime unemployment and domestic violencewomen in Northern Ireland focused on their society's historical tension and primarily nationalist and unionist politics However Pelan maintains that feminist ideology has provided contemporary Irish women with an alternate political stance that incorporates gender and nationality ethnicity and allows them to move beyond the usual binaries of politics history and languageIrish and English In an analysis enriched by a sophisticated but accessible engagement with contemporary feminist and gender theory Pelan concludes that Irish women's writing whether at the community or mainstream levelNorth or Southconsistently articulates political issues of direct relevance to the lives of Irish women today As a result such work retains close links with the initial impetus of the second wave of feminism as a political movement and questions the legitimacy of long standing social religious and political conventions From within the framework provided by this second wave argues Pelan Irish women can critique certain masculine ideologiesnationalist unionist imperialist and capitalistwithout forfeiting their own sense of gender and national or ethnic identity The book's significance lies in its placement of women's writing in the center of contemporary political discourse in Ireland and in ensuring that the writing from this periodmuch of it long out of

print continues to exist as sociological as well as literary records. It will be of interest to a general and scholarly audience especially those in the fields of contemporary Irish writing, feminism and literary history. **Irish Publishing Record**, 1988
