A painting of Tony Soprano, the character from the TV show 'The Sopranos'. He is depicted in a religious, almost Christ-like pose, wearing a yellow robe and a black headband. He is holding a black Bible in his right hand and a black handgun in his left hand. The background is a dark, textured red with golden, sunburst-like rays emanating from behind his head.

Yoder, 2015 John C Yoder examines political culture and behavior in the book of Judges Although the Deuteronomistic editor portrayed the judges as moral champions the men and women of valor were preoccupied with the problem of gaining and maintaining political power They were ambitious at times ruthless they might be labeled chiefs strongmen or even warlords in today's world They used violence patronage and the control of the labor and reproductive capacity of subordinates as well as other strategies that did not require the constant exercise of force such as using their association with YHWH to advance their political economic or military agenda **The Emerging Church** Dan Kimball, 2009-08-30

What Matters Most Leonard Sweet,2012-03-13 Belief can exist in isolation but faith requires a relationship Why wade in the shallows of belief when you can plunge into the depths of faith Belief involves a different way of thinking but faith brings about a new way of living It grows through direct experience and a close relationship both of which come as you follow Jesus As Christians we often talk about developing a personal relationship with Christ but instead of pursuing a relationship we pursue knowledge We are tempted to place confidence in our definite settled beliefs which offer a pale substitute for the daily adventure of an honest relationship with Jesus In What Matters Most Leonard Sweet presents a challenging and compelling approach to belief that is joined by dynamic engagement with God You are invited to explore the uncharted regions of faith by following Jesus completely on his terms Once you begin you will never go back to mere belief
