**What is Spiritism?** Allan Kardec, 2021-11-24 A work that is still up to date What is Spiritism is useful for adherents of the Spiritist Doctrine as well as for those who want to understand the nature of Spiritism and its fundamental points Kardec s logic and common sense are obvious in this book as he confounds Spiritism s detractors while answering the questions of those who believe in and aspire to a superior life The book is divided into three chapters The first is composed of dialogues between Kardec and a critic a skeptic and a priest providing answers to those who do not understand the basic principles of Spiritism It also presents appropriate refutations to its opponents The second chapter presents practical and experimental aspects of the science and is a kind of summary of The Mediums Book The third chapter is a short synthesis of The Spirits

Book with solutions to psychological moral and philosophical problems according to the Spiritist Doctrine In addition the book is prefaced with an abridged version of Henri Sausse s biography of Allan Kardec     **A Practical Commentary on the Gospel According to St. Matthew** James Morison,1902     **On the Margins of Religion** Frances Pine,João de Pina-Cabral,2008-03-01 Focusing on places objects bodies narratives and ritual spaces where religion may be found or inscribed the authors reveal the role of religion in contesting rights to places to knowledge and to property as well as access to resources Through analyses of specific historical processes in terms of responses to socio economic and political change the chapters consider implicitly or explicitly the problematic relation between science including social sciences and anthropology in particular and religion and how this connects to the new religious globalisation of the twenty first century Their ethnographies highlight the embodiment of religion and its location in landscapes built spaces and religious sites which may be contested physically or ideologically or encased in memory and often in silence Taken together they show the importance of religion as a resource to the believers a source of solace spiritual comfort and self willed submission

*Creole Religions of the Caribbean, Third Edition* Margarite Fernández Olmos,Lizabeth Paravisini-Gebert,2022-08-23 An updated introduction to the religions developed in the Caribbean region *Creole Religions of the Caribbean* offers a comprehensive introduction to the overlapping religions that have developed as a result of the creolization process Caribbean peoples drew on the variants of Christianity brought by European colonizers as well as on African religious and healing traditions and the remnants of Amerindian practices to fashion new systems of belief From Vodou Santería a Regla de Palo the Abakuá Secret Society and Obeah to Quimbois and Espiritismo the volume traces the historical cultural origins of the major Creole religions as well as the newer traditions such as Rastafari This third edition updates the scholarship by featuring new critical approaches that have been brought to bear on the study of religion such as queer studies environmental studies and diasporic studies The third edition also expands the regional considerations of the diaspora to the US Latinx communities that are influenced by Creole spiritual practices taking into account the increased significance of material culture art music literature and healing practices influenced by Creole religions     **The Big Book of Reincarnation** Roy

Stemman,2012-05-01 **IS DEATH THE FINAL CHAPTER** In *The Big Book of Reincarnation* Roy Stemman attempts to answer one of the big questions of existence Is death the end Or is it merely the end of a chapter in the book of existence A self described skeptical believer Stemman uses his skills as a professional journalist to perform an in depth exploration of reincarnation Using case studies anecdotes and physical evidence from the best documented cases from around the world Stemman shines a bright light on this subject inviting readers to decide for themselves on the basis of facts rather than on the basis of hearsay speculation and superstition Stemman finds fascinating examples of evidence of reincarnation in the nightmares of a Louisiana bayou boy the past life recall of a renowned neurosurgeon the research of a highly respected university professor and the unique system of governance in the mountains of Tibet to name just a few He examines the lives

of those affected by reincarnation such as children who can actually remember their previous lives Instead of shying away from the skeptics Stemman evaluates their leading theories and compares them to the findings that he has accumulated throughout his global research The Big Book of Reincarnation is thorough well researched engaging and the most comprehensive book ever published on this fascinating subject
