## **Gospel In Black And White Theological Resources For Racial Reconciliation:**

**The Gospel in Black and White** Dennis L. Okholm, 1997-01-01 After signal victories of the civil rights movement in the sixties recent events have shown that the divide between black and white Americans remains alarmingly wide And as African and Euro Americans perhaps increasingly find themselves at odds politically and culturally Sunday morning worship dismayingly remains the most segregated hour of the week Yet Christians of both races affirm that the gospel calls them together that they at least should be one people of one Lord one faith one baptism In that spirit the incisive and challenging essays in this book consider what rigorous theological work can contribute to the noble and ongoing quest for racial reconciliation Some of the church s most exciting black and white thinkers are gathered here by editor Dennis Okholm to address issues of theological method hermeneutics soteriology ecclesiology and social ethics always with an eye to closing the gaping wound of racism and serving God s kingdom across color lines Race and Reconciliation John B.

Hatch, 2009-12-01 Hatch develops a robust rhetorical theory of reconciliation and applies it to contemporary national and global efforts to redress the racialized wounds and injustices created by slavery What emerges from this work is a profound vision for the prospects of meaningful reparation forgiveness and reconciliation in American race relations Reckoning with Race and Performing the Good News Vincent Bacote, 2020-11-30 The Good news is central to evangelical theology and the movement known as evangelicalism but the news has not always been good for minorities who inhabit evangelical communities and institutions in the United States Vincent Bacote argues a reckoning with questions of race is necessary for evangelical theology to help cultivate an evangelical movement more hospitable to minorities particularly African Americans Evangelicalism is here regarded not only a set of beliefs about the Bible Christ s work on the cross conversion and witness but also as a set of dispositions and postures that create openness to the concerns of minorities With a perpetually uneasy conscience Christians within the evangelical movement can cultivate a disposition ready to learn from the questions and contributions of minorities in evangelical spaces such as William Bentley and Carl Ellis A better evangelical theology is proposed as doctrines that yield actions that are truly good news for all Revelation Craig S. Keener, 2000 The NIV Application Commentary helps readers with the vital task of bringing the ancient message of the Bible into a contemporary context It gives preachers and teachers the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written

For All Peoples Craig S. Keener, 2020-08-27 Given this unique locus of today s church this book takes us back to the foundational teachings of Jesus on missions the Great Commission Gospel of Matthew and the Messianic Commission Gospel of John Although these two passages are universal in grounding Christian mission Professor Keener wants to assure that the role of the Holy Spirit is central to Christian living and acting as God s witnesses Wonsuk Ma PhD Dean Distinguished Professor of Global Christianity College of Theology and Ministry Oral Roberts University Craig Keener one of the finest and most prolific NT scholars of our day has produced another gem For All Peoples A Biblical Theology of Missions in the Gospels and Acts blends together rich scholarly insights rooted in an unsurpassed knowledge of the first century world with an edifying and pastoral eye that is always focused on the radical nature of Jesus call to follow him in his redemptive mission Successive chapters illuminate the seminal contributions that Matthew Luke John and Paul make to a biblical theology of missions The final chapter rooted in the narrative of Acts appropriately ties together these themes by describing Paul s Macedonian vision as a call for the Church to take the gospel from its place of origin in Asia to the mission field of Europe After almost two millennia Keener reminds us just how relevant this call remains for the growing and vibrant churches of Asia today Robert P Menzies PhD Kunming China This is Craig Keener at his best thoroughly expositional and passionately missional Dave Johnson DMiss Managing Editor Asian Journal of Pentecostal Studies

**Practices, Politics, and Performance** Michael G. Cartwright, 2006-06-01 Drawing on the hermeneutical reflections of John Howard Yoder Stanley Hauerwas and Mikhail Bakhtin Cartwright challenges the way twentieth century American Protestants have engaged the problem of the use of scripture in Christian ethics and issues a summons for a new debate oriented by a communal approach to hermeneutics By analyzing particular ecclesial practices that stand within living traditions of Christianity the politics of scriptural interpretation can be identified along with the criteria for what a good performance of scripture should be This approach to the use of scripture in Christian ethics is displayed in historical discussions of two Christian practices through which scripture is read ecclesiologically the Eastern Orthodox liturgical celebration of the Eucharist and the Anabaptist practice of binding and loosing or the rule of Christ When American Protestants consider performances of scripture such as these alongside one another within more ecumenical contexts they begin to confront the ecclesiological problem with their attempts to use the Bible in Christian ethics the relative absence of constitutive ecclesial practices in American Protestant congregations that can provide moral orientation for their interpretations of Christian scripture
