Gospel Truth George Quayle Cannon,1974 *Gospel Truth* George Quayle Cannon,1957 *Gospel Truth* George Quayle Cannon,1987-01-01 **“This Is My Doctrine”: The Development of Mormon Theology** Charles R. Harrell,2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism s theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions [Latter-day Saint Theology among Christian Theologies](#) Grant Underwood,2025-03-13 How do the beliefs of Latter day Saints compare with traditional Christian theology Grant Underwood provides answers to this question that are clear detailed and thoughtful Writing for a broad and interested Christian audience he systematically brings Mormon thought into conversation with main currents of Christian theology He focuses on major topics that have engaged Christian thinkers over the years who God is who Jesus Christ is who we are how we are saved what the church is and what the future holds for human history as well as for individual human lives Most chapters follow a format in which relevant themes are introduced with an overview of significant Christian reflection on the topic followed by an exploration of Latter day Saint thought on the subject Throughout the book Underwood s goal is to analyze not catechize While the author is a practicing Latter day Saint that reality only enhances his appreciation for the theology produced by centuries of fellow Christians of faith who in Anselm s words have diligently and devoutly sought understanding Underwood seeks to facilitate mutual understanding among Christians who may worship differently who conceive of God and God s relations with humanity differently and who articulate their religious beliefs in terms and concepts that are unfamiliar to each other Readers of this book are invited to approach its sympathetic presentation of such Christian theologies including that of the Latter day Saints with an openness and curiosity that can lead

to a more accurate nuanced understanding of the doctrines discussed Apostolic Succession in the Restoration Kevin L. Tolley, Patrick A. Bishop, 2023-04-17 This unique chronology of the history of the Church of Jesus Christ of Latter day Saints follows the Lord's chosen representatives as they were called and released as members of the Quorum of the Twelve Apostles Beginning with Joseph Smith's ordination in 1829 to the present day the life of every man who has served in these presiding quorums is illustrated in the brief narratives of this informative and well written volume Now is the perfect time to learn the gospel with your family and discover the humble beginnings of the Lord's Church in these latter days This work honors the noble men who sacrificed their time and talents to unselfishly serve those around them It is an excellent reference for anyone looking to study Church history and the apostolic governing bodies of the Church Understand the order of succession to the presidency and see firsthand the challenges these quorums faced as they learned line upon line the Lord's will in fulfilling their sacred callings **Interpreter: A Journal of Mormon Scripture, Volume 14 (2015)** Daniel C.

The Lost Tribes: History, Doctrine, Prophecies and Theories About Israel's Lost Ten Tribes R. Clayton Brough, 2023-04-24 In the Lost Tribes author R Clayton Brough has given definition and clarification to one of the most interesting doctrinal subjects in Mormonism He traces the Biblical history of the descendants of the great patriarch Jacob whose name the Lord changed to Israel down to the time they entered captivity in Assyria He then draws from other historical sources which relate the exodus of these tribes into another land and shows how they became lost to mankind Various historical allusions are cited which reflect the sum of modern scholarly knowledge pertaining to their history and present location Among Latter day Saints several theories have come into existence concerning the location of these lost people The author has collected the evidence usually cited to substantiate these theories and has presented and analyzed it with considerable clarity He takes no position in support of any particular theory but invites the reader to evaluate the information available for himself The theories he discusses and documents are the Unknown Planet theory the Narrow Neck proposition a sub theory the Hollow Earth theory the North Pole theory and the Dispersion theory The future return of the Ten Tribes from their unknown location is a major theme in LDS doctrine The author devotes the final chapter of the book to that subject and related events in the last days The Lost Tribes is a valuable book which assembles a host of interesting and sometimes inaccessible items from many sources The author has done much to clarify and broaden Latter day Saint understanding on one of the most intriguing themes in ancient and modern scripture Here is a book that is being widely read and enjoyed by many [The Divine Virtues: 14 Values to Live By](#) Richard Rife, 2023-04-24 The Savior lived a life of perfect example but it's hard to live up to perfection all at once That's why Richard Rife has written this compelling new guide to becoming more like Christ one value at a time In a hopeful and uplifting way this book examines topics like obedience and submissiveness kindness and gentleness temperance knowledge mercy and gratitude Trying to become like Christ is a tremendous challenge but God whose mercy and patience are infinite will work with us as long as we keep trying Learn to
